Campus

The University of the Free State (UFS) is one of the oldest institutions of higher education in South Africa. It opened its doors in 1904 in Bloemfontein as the Grey University College, with six students in the Humanities. Since then, the institution has grown to more than 39 000 students, spread over three campuses and across seven faculties (Economic and Management Sciences, Education, Health Sciences, the Humanities, Law, Natural and Agricultural Sciences, Theology and Religion).

Most of the students are located on the Bloemfontein Campus, with the Qwaqwa Campus situated in the picturesque Eastern Free State, serving a rapidly-growing number of rural students from the immediate area and surrounding provinces. The South Campus – also situated in Bloemfontein – serves as the centre for distance-learning programmes offered by the UFS, as well as alternative access to higher education for promising students who have not obtained the required marks in their final school examinations.

Over the years, the university has grown into an education hub which has positioned itself on the global stage, promoting research excellence, with exceptionally talented scholars and students who are recognised the world over, as well as alumni who have grown into influential leaders in society.

Guest Speaker

MR H VAN WYK

Chancellor's Distinguished Alumni Award Recipient
Television personality

As one of only two students nationwide to be appointed as a permanent member of a theatre company at the former regional councils (PACOFs), this UFS Drama graduate showed promise early on.

Mr Hannes van Wyk is originally from Aliwal North, where he also completed his school career. His parents, Hennie and Mariet van Wyk, instilled many sound values in their son, which equipped him to serve on the Student Representative Council during his time at the UFS.

His colourful career branched into two main directions: acting and presenting. The most memorable character he portrayed was the detestable Krynauw du Buisson in the soap opera *Egoli*. However, he starred in many other television, film, and theatre productions, including *Torings*, *Angels*, *Vallei van Sluiers*, *Waterfront*, and *Voor ek Vergeet*. As a multi-skilled artist, Van Wyk also managed to publish a book: *Vroue na aan my Hart*.

Hannes' career as presenter led him to interview just about every well-known South African, including President Nelson Mandela, and international celebrities such as President Bill Clinton, Sophia Loren, and Arnold Schwarzenegger. He is currently anchor for the magazine programme, *Kwêla*, after being a presenter in the television programme, *Bravo*.

His careers are continuing to blossom, with the filming of two new television series, the role of producer, and a diary full of appearances as guest speaker.

In 2012, he was named the UFS Chancellor's Distinguished Alumnus of the Year.

National Anthem of South Africa

Nkosi sikelel' iAfrika
Maluphakanyisw' uphondo lwayo,
Yizwa imithandazo yethu,
Nkosi sikelela, thina lusapho lwayo.

Morena boloka setjhaba sa heso,
O fedise dintwa le matshwenyeho,
O se boloke, O se boloke setjhaba sa heso,
Setjhaba sa South Afrika – South Afrika.

Uit die blou van onse hemel,
Uit die diepte van ons see,
Oor ons ewige gebergtes,
Waar die kranse antwoord gee,

Sounds the call to come together,
And united we shall stand,
Let us live and strive for freedom,
In South Africa our land.

Please note:

Order arrangements during the ceremony:

In order to maintain the dignity of the ceremony, you are requested to take note of the following:

Message from the Rector and Vice-Chancellor

PROF FW PETERSEN
Rector and Vice-Chancellor

Dear Student

Congratulations on obtaining your degree! Graduation is a significant and memorable day and a culmination of the time you spent here at the University of the Free State (UFS). As a graduate, you have become part of a fraternity of exceptional individuals who have walked across the stage before you. You have also become an alumnus of this great 114-year-old institution.

Our alumni include educators, health professionals, scientists, entrepreneurs, agriculturists, artists, humanitarians, legal professionals, clergy, sportsmen and women, etc., who contribute to the welfare and growth of so many people in our beautiful country and beyond.

At Kowsies, we are immensely proud of you as our graduate. We hope that you had a challenging and rewarding learning experience; that you learnt about confidence, the ability to express your opinions, the value of human dignity, and the significance of democracy. As you move towards your professional career, do not be afraid of the challenges ahead. Put your hard-earned knowledge to good use. I believe that each of you has the ability to prosper and use your talents.

I join those who have helped you along the way to this big day – including your lecturers and mentors, fellow students, friends, and loved ones – in applauding you for all the hard work and perseverance that has made this moment possible. Enjoy and celebrate this exceptional day with family and friends.

May you look back with a sense of pride, knowing that you possess the required knowledge and skills to build and succeed in your chosen career.

The UFS is, after all, a place that inspires excellence and transforms lives.

Best wishes

The Seanamarena – the traditional Basotho blanket.

The Main Procession graduation gowns – embroidered with rich diversity.

South Africa, and the Free State in particular, has a long-standing friendship with our neighbouring country, Lesotho. Through a shared history, we have become co-creators of our futures. For this reason, the UFS decided to incorporate our tradition with that of the Basotho in the design of our Main Procession graduation gowns.

The gowns are inspired by the Seanamarena – the traditional Basotho blanket. The different patterns on the Seanamarena indicate the status one holds in the Basotho nation or reflect the occasion being celebrated. Keeping the Seanamarena pattern in mind, we combined our traditional academic designs with that of the Basotho nation.

Yoke patterns

Yoke pattern for the Chancellor and Vice-Chancellor

This Seanamarena pattern is an interpretation of a design – used exclusively for the king and chiefs – which means “to swear by the king”. This blanket has the highest status of all Basotho blankets.

Yoke pattern for the Chairperson of the Council

This Seanamarena Victorian crest motif appeared after the visit of the Prince of Wales to Lesotho in 1925, which made a profound impression on the local people. Customers refer to this blanket as 'lesiba' – meaning feathers – when buying it.

Yoke pattern for the Vice-Rector

This Seanamarena Poone design symbolises good crops, wealth, and fertility. The Poone is given as a present to honour an important visitor.

Yoke pattern for Registrar

The same Seanamarena Poone design used for the Vice-Rector applies to the Registrar, with some slight design and colour alterations.

The Deans wear gowns made in the colours of the faculties or others which indicate the office they hold.
