STEP 3: FEES PAYABLE

Although the information included in this guide has been compiled as carefully as possible, the Council and Senate accept no responsibility for any errors or omissions.

Important note:

- The agreement that results from the admission or registration of a student shall be deemed as concluded, notwithstanding the method of registration.
- **The registration of a student only becomes official after the first payment has been made or confirmation of a bursary covering all fees for the year has been submitted**, the student has registered for the qualification and modules during the registration period and has received an official proof of registration.

What does it mean? First payments are not the same for all students. If you are not from South Africa, you will pay a different amount. You are only registered once you have paid all the required fees, completed the online registration process or the required registration form, and we have sent you an official document stating that you are registered – without proof, you are not registered.

FIRST PAYMENTS BEFORE REGISTRATION 2023

Amounts payable as first payments prior to registration

Please pay attention to the amounts that are payable **five (5) working days** prior to registration: (first payment amounts table)

SUBMITTED DISSERTATIONS AND THESES FOR ASSESSMENT

First Payments Master and PhD students

- If your assessment results are captured on PeopleSoft on/before the end of February, re-registration or payment is not required.
- If your assessment results are not captured by the end of February or you have to resubmit your thesis for assessment, then you have to re-register and pay the required first payments as indicated.
- If your results are received and captured on PeopleSoft in time for the first yearly graduation (April), then all module fees will be credited to your account.
- If your results are too late for the first yearly graduation, but in time for the second graduation ceremony (December), then 50% of the module fees will be credited to your account.
- If your results are too late for both the graduations ceremonies, then all fees charged for the year remains due and payable.
- Should you believe sufficient reason exists for exemption from paying fees, you and your study leader must appeal in writing to the Deputy Director Student Finance, tuitionfees@ufs.ac.za. Supporting documents must accompany your appeal.

This excludes:

- **International** students who are studying with the assistance of financial aid are **NOT EXEMPT** from paying the first payment as indicated for SELF-PAYING STUDENTS.
