
INVITATION

**The Three Schools of Medicine Research and
Postgraduate Committee**

presents:

Guest lecture by:

Prof Salim S. Abdool Karim

Titled: “Preparedness for future pandemics”

Prof Salim S. Abdool Karim, FRS, is a South African clinical infectious disease epidemiologist, widely recognized for scientific contributions to the prevention and treatment of HIV. He is Director of CAPRISA, Durban, and CAPRISA Professor of Global Health at Columbia University, New York. Before taking on the role as Chair of the South African Ministerial Advisory Committee on COVID-19, he served as President of the South African Medical Research Council. He was a member of the African Coronavirus Task Force and a Commissioner of the Lancet Commission on COVID-19. Ranked among the world’s most cited scientists by Web of Science.

Date: 17 April 2024
