Message from the Vice-Chancellor and Rector

PROF FRANCIS PETERSEN
Vice-Chancellor and Rector

Dear Student

The journey to graduation – like the journey of life – contains many challenges, setbacks, even failures. This often asks for courage, commitment, and no small amount of support from friends, family, supervisors, and strangers.

Today is the culmination of years of studying towards your chosen qualification and one of the most memorable days of your time as a student at the University of the Free State (UFS).

There is nothing more fulfilling than walking across the stage and being capped, knowing that you have achieved what you set out to do in your academic career. Congratulations on this fine achievement.

As a university recognised for academic excellence and quality education, we are proud to confer this degree upon you during a time when the entire South African higher-education sector is experiencing exceptional challenges. As a university, we are committed to respond to those challenges in a manner that is not only fair and just, but will assist in strengthening this sector for the betterment of the country.

The university takes pride in you as our graduate and we hope that you are equally pleased to join a special community of alumni that is 113 years old, and that you will keep in touch with the UFS. With this shared sense of achievement, it is hoped that you had a challenging and enriching learning experience at Kovsie; that you learnt about confidence, the ability to express your opinions, the value of human dignity, and the significance of democracy. The UFS is, after all, a place that inspires excellence and transforms lives.

OATH OF THE GRADUANDS IN NURSING

PROMISE TO REMAIN TRUE TO THE VOCATION - BELOFTE TOT ROEPINGSGETROU - KE TSHEPISA HORE KE TLA DULA KE TSHEPAHALA MOSEBETSING WA KA

I solemnly pledge before God and all who are gathered here that I am convinced that the honourable profession which I am about to enter is a great privilege and lays a humbling responsibility in my hands.

Ek sal myself van alles wat skadelik en verkeerd is onthou, en sal nooit enige nadelige en bedwelmente middel neem, of dit doelbewus aan andere toedien nie.

Ke tla etsa sohle se matleng a ka ho boloka le ho phahamisa maemo a mosebetsi wa ka, mme ke tla boloka ka hohle-hohle e le lekunutu ditaba tsohle tsa botho le tsa lelapa tseo nka tshohang ke di hlokomela nakong ya ho phetha mosebetsi wa ka.

(I shall do everything within my ability to maintain and elevate the standard of my profession and shall keep strictly confidential all personal and family matters that I may become aware of in the execution of my vocation.)

I see myself as the sounding-board for my patients in pain, dismay and fear, and therefore each of them is an individual to me with an own personality and needs. Each is an embodiment of the wonder of life, whom I want to acknowledge and protect in all modesty.

In the final instance I see my work as an expression of love, a love that includes all my fellow-humans - regardless of their race or religion or status. Thus I want to see my vocation as part of a divine truth: And now abide faith, hope, love, these three; but the greatest of these is love.

DEAN'S MEDAL

AWARDED TO THE BEST BACHELOR'S DEGREE STUDENT IN THE FACULTY OF THEOLOGY

Mr PRINSLOO, Hendrik Johannes – Bachelor of Theology

The Seanamarena – the traditional Basotho blanket.

The Main Procession graduation gowns – embroidered with rich diversity

South Africa, and the Free State in particular, has a long-standing friendship with our neighbouring country, Lesotho. Through a shared history, we have become co-creators of our futures. For this reason, the UFS decided to incorporate our tradition with that of the Basotho in the design of our Main Procession graduation gowns.

The gowns are inspired by the Seanamarena – the traditional Basotho blanket. The different patterns on the Seanamarena indicate the status one holds in the Basotho nation or reflect the occasion being celebrated. Keeping the Seanamarena pattern in mind, we combined our traditional academic designs with that of the Basotho nation.

Yoke pattern for the Chancellor and Vice-Chancellor

This Seanamarena pattern is an interpretation of a design – used exclusively for the king and chiefs – which means “to swear by the king”. This blanket has the highest status of all Basotho blankets.

Yoke pattern for the Chairperson of the Council

This Seanamarena Victorian crest motif appeared after the visit of the Prince of Wales to Lesotho in 1925, which made a profound impression on the local people. Customers refer to this blanket as ‘lesiba’ – meaning feathers – when buying it.

Yoke pattern for the Vice-Rector

This Seanamarena Poone design symbolises good crops, wealth, and fertility. The Poone is given as a present to honour an important visitor.

Yoke pattern for Registrar

The same Seanamarena Poone design used for the Vice-Rector applies to the Registrar, with some slight design and colour alterations.

The Deans wear gowns made in the colours of the faculties or others which indicate the office they hold.
