ABOUT THE UFS

The University of the Free State (UFS) is one of the oldest institutions of higher education in South Africa. It opened its doors in 1904 in Bloemfontein as the Grey University College, with six students in the Humanities. Since then, the institution has grown to more than 40 000 students, spread over three campuses and across seven faculties (Economic and Management Sciences, Education, Health Sciences, the Humanities, Law, Natural and Agricultural Sciences, Theology and Religion).

Most of our students are located on the Bloemfontein Campus, with the Qwaqwa Campus situated in the picturesque Eastern Free State, serving a rapidly-growing number of rural students from the immediate area and surrounding provinces. The South Campus – also situated in Bloemfontein – serves as the centre for distance-learning programmes offered by the UFS, as well as alternative access to higher education for promising students who have not obtained the required marks in their final school examinations.

The UFS creates opportunities and growth through leading learning and teaching, focused research, and impactful engagement with society.

Situated in the heart of South Africa, our character of caring and diversity translates into an outstanding university experience.

DEVELOPMENT OF THE UFS CREST OVER MORE THAN A CENTURY

1904

Up to 1935, the same coat of arms was used as the Grey College School.

1935

By 1935, with the name change to University College of the Orange Free State, the coat of arms fell into disuse, especially among students.

1947

In 1947, an agreement between management and students led to the new motto Per Fidem ad Sapientiam (Through faith to wisdom).

1950

In 1952, it was changed to In Deo Sapientiae Lux (In God is the light of wisdom). The traditional orange, white and blue, linking the UFS to the South African national colours, changed in the late 1990s.

The orange was replaced by cherry red.

2011

The academic brand - the historic University of the Free State crest that has been the symbol of the university since 1952, has evolved to embrace the aesthetic expectations of the stakeholders.

The shape of the traditional academic shield has been simplified and contemporised. Much of the symbolism of the crest remains intact, acknowledging the location of the UFS brand as one of the country's premier institutions of higher education, with a proud history of academic excellence and an ever evolving, vibrant culture.

Dear Student

Congratulations to our newest alumni, the Class of 2020! Today is a joyous day where we celebrate the summit of your journey at the University of the Free State (UFS). Welcome to the alumni of this great 117-year-old institution – your place in this exceptional group is well deserved.

The world of work is dynamic and changing at a much faster pace than before. But you have already proven your resilience and tenacity by completing your studies under extraordinary circumstances. I believe that you are fully prepared for what lies ahead.

You will come across our sought-after Kopsie alumni as educators, health professionals, scientists, entrepreneurs, agriculturists, artists, humanitarians, legal professionals, clergy, sportsmen and sportswomen, etc., who contribute to the welfare and growth of so many people in our beautiful country and beyond.

We urge you to remain in contact with your university friends, and to broaden your alumni network as you venture into the world of work. Connect on the online platforms available to you, and also engage with our Alumni Office. Support from like-minded individuals will provide you with the necessary motivation, direction, and encouragement when needed.

You have accomplished much, and I know that you will continue to do so. We commend the sacrifices made by you and your support network to realise your achievement under very unusual circumstances.

We celebrate and acknowledge your accomplishments and bless you with our confidence and hope as you embark on the next stage of your journey.

The UFS is, after all, a place that inspires excellence and transforms lives.

Best wishes

HONORARY DOCTORATE

DR RUDOLF JOHANNES (DOLF) VAN NIEKERK

Dr Rudolf Johannes (Dolf) van Niekerk is an award-winning South African short-story writer, novelist, and poet. He was born on 22 February 1929 in Edenburg, Free State. He matriculated at the Edenburg High School.

In 1949, he was awarded a Bachelor of Arts degree by the (then) University College of the Orange Free State in Bloemfontein (University of the Free State), and in 1950 an honours degree in Philosophy by the University of South Africa (UNISA).

He was awarded a Master of Arts degree by the University of Pretoria (UP) in 1967, and a Doctor Philosophiae (DPhil) degree, also by the UP, in 1980. His doctoral study addressed the very relevant theme of soil conservation in South Africa from a cultural and philosophical point of view. The title of his thesis was: *Bewaring as sedelike prinsipe in die Suid-Afrikaanse bodembenuutingsituasie - 'n kultuurfilosofiese studie*. He became an Emeritus Professor of the University of Pretoria, a position he held until his retirement in 1994.

Dr Van Niekerk became a radio presenter and producer in 1950. In 1957, he became head of the radio department in the Department of Agriculture, and later Head of Radio for the whole broadcasting network.

He is primarily known for his impact as writer on the Afrikaans and South African literary landscape, and for his youth literature and radio plays. As one of the 'Sestiger' voices, he critically engaged with topical themes such as outsidership, nationhood and belonging to a nation, cross-cultural contact and outreach (especially between San and coloniser), existentialism, memory, and ecological questions.

Dr Van Niekerk's first poems were published in 1953 and his first novel, *Gannavlei*, in 1958. His novel *Die son struikel* (1960) was a prescribed work for Grade 12 learners in the 1960s and 1970s. His body of work consists of 27 books in the fields of philosophy, poetry, fiction, drama, and memoirs, for which he has received numerous awards. He was awarded the Eugene Marais Prize in 1963 for *Skepsels*. In 1986, he was awarded the MER Prize and the Scheepers Award for Youth Literature for his novel *Die haasvanger*.

PROMISE TO REMAIN TRUE TO THE VOCATION - BELOFTE TOT ROEPINGSGETROU - KE TSHEPISA HORE KE TLA DULA KE TSHEPAHALA MOSEBETSING WA KA

I solemnly pledge before God and all who are gathered here that I am convinced that the honourable profession which I am about to enter is a great privilege and lays a humbling responsibility in my hands.

Ek sal myself van alles wat skadelik en verkeerd is onthou, en sal nooit enige nadelige en bedwelmende middle neem, of dit doelbewus aan andere toedien nie.

Ke tla etsa sohle se matleng a ka ho boloka le ho phahamisa maemo a mosebetsi wa ka, mme ke tla boloka ka hohle-hohle e le lekunutu ditaba tsohle tsa botho le tsa lelapa tseo nka tshohang ke di hlokomela nakong ya ho phetha mosebetsi wa ka.

I see myself as the sounding-board for my patients in pain, dismay and fear, and therefore each of them is an individual to me with an own personality and needs. Each is an embodiment of the wonder of life, whom I want to acknowledge and protect in all modesty.

In the final instance I see my work as an expression of love, a love that includes all my fellow-humans – regardless of their race or religion or status. Thus I want to see my vocation as part of a divine truth: And now abide faith, hope, love, these three; but the greatest of these is love.

The Main Procession graduation gowns -

embroidered with rich
diversity

South Africa, and the Free State in particular, has a long-standing friendship with our neighbouring country, Lesotho.

Through a shared history, we have become co-creators of our futures. For this reason, the UFS decided to incorporate our tradition with that of the Basotho in the design of our Main Procession graduation gowns.

The gowns are inspired by the Seanamarena – the traditional Basotho blanket. The different patterns on the Seanamarena indicate the status one holds in the Basotho nation or reflect the occasion being celebrated. Keeping the Seanamarena pattern in mind, we combined our traditional academic designs with that of the Basotho nation.

TRADITIONAL
BASOTHO BLANKET

YOKE PATTERNS

Yoke pattern for the Chancellor and Vice-Chancellor

This Seanamarena pattern is an interpretation of a design – used exclusively for the king and chiefs – which means “to swear by the king”. This blanket has the highest status of all Basotho blankets.

Yoke pattern for the Chairperson of the Council

This Seanamarena Victorian crest motif appeared after the visit of the Prince of Wales to Lesotho in 1925, which made a profound impression on the local people. Customers refer to this blanket as ‘lesiba’ – meaning feathers – when buying it.

Yoke pattern for the Vice-Rector

This Seanamarena Poone design symbolises good crops, wealth, and fertility. The Poone is given as a present to honour an important visitor.

Yoke pattern for Registrar

The same Seanamarena Poone design used for the Vice-Rector applies to the Registrar, with some slight design and colour alterations.

The Deans wear gowns made in the colours of the faculties or others which indicate the office they hold.

VOICES FROM THE FREE STATE

Voices from the Free State is a series of alumni initiated and led personal podcast narratives by outstanding alumni of the UFS who reflect on their experiences at the UFS, telling their stories, and explaining how their university years shaped their future and paved the way for their respective successes. Join the [Voices from the Free State](#) podcast series as we release a new podcast featuring a different alumnus on the first Monday of each month throughout 2021.

A CONNECTED COMMUNITY

We exist not only to keep you connected to your Alma Mater but to help you stay connected to each other. We encourage engagement and networking opportunities through virtual or hybrid events, informal visits and guest lectures.
