Message to graduandi Boodskap aan graduandi

PROF JD JANSEN

There is nothing more joyous and fulfilling than witnessing the graduation of our students after years of study and sacrifice to attain a degree from one of the great institutions of our country and continent, the University of the Free State. A warm word of congratulations to you on this great achievement, and let me also express my gratitude to your family and friends who made it possible for you to reach this high point in your student life.

The UFS is widely regarded as a great South African experiment on two fronts: firstly, as an institution of higher learning which places academic excellence at the core of its mission as a university; secondly, as a place of humanity that sets the example of how human togetherness can overcome the bitter divisions of the past. Your university remains a work in progress; yet, few can doubt the advances made in setting high academic standards for professors and students alike, as well as offering an example of national reconciliation in the way we relate to one another. I am delighted that you can receive your degree from Kovsies at a time like this.

At Kovsies, a degree is not enough. Staff across the seven faculties have worked hard to ensure that, in addition to the technical skills and knowledge you require to be competitive in the global marketplace, you have also learnt confidence, the powers of expression, the value of human dignity, and the importance of democracy. Most of all, it is hoped that you have acquired the sets of values and dispositions that position you not simply to follow, but to lead in a country that desperately requires competent and ethical leaders. This is, after all, a place that inspires excellence and transforms lives.

You come in the wake of some of the greatest leaders who now count themselves as Kovsies – the late Nelson Mandela, Desmond Tutu, and Oprah Winfrey. You are in good company.

I have met many of you during my time as Vice-Chancellor and Rector. Although I am not present here today, know that I am with you in mind and spirit.

Congratulations once again. I salute you.

Daar is niks meer vreugdevol en bevredigend nie as om die gradeplegtigheid van ons studente mee te maak ná jare van studie en oopoffering om 'n graad aan een van die vername instellings in ons land en vasteland, die Universiteit van die Vrystaat, te ontvang nie. 'n Hartlike woord van gelukwensing aan julle met hierdie wonderlike prestasie. Laat my toe om ook my dankbaarheid teenoor julle familie en vriende te betuig wat dit vir julle moontlik gemaak het om hierdie hoogtepunt in julle studentelewe te bereik.

Die UV word algemeen as 'n belangrike Suid-Afrikaanse eksperiment aan twee fronte beskou; eerstens, as 'n hoëronderwysinstelling wat akademiese uitnemendheid as die kern van sy missie as 'n universiteit stel; tweedens, as 'n plek van menswaardigheid wat die voorbeeld stel oor hoe mense se samehorrigheid die bitter verdeling van die verlede kan oorkom. Julle universiteit is besig met deurlopende vooruitgang; nogtans twyfel min mense oor die vordering wat gemaak is in die stel van hoë akademiese standarde vir professore sowel as studente, ook met die voorbeeld van nasionale versoening in die manier waarop ons met mekaar omgaan. Ek is verheug dat julle op 'n tydstip soos hierdie julle grade van Kovsies kan ontvang.

By Kovsies is 'n graad nie genoeg nie. Personeel in al sewe die fakulteite het hard gewerk om te verseker dat, bo en behalwe die tegniese vaardighede en kennis wat julle nodig het om mededingend in die globale mark te wees, julle ook selfvertroue, die krag om jyself te verwoerd, die waarde van menswaardigheid en die betekenis van demokrasie verwerf het. Bo alles, hoop ek dat julle die stel waardes en gesindhede verwerf het wat julle nie alleen in staat stel om te volg nie, maar ook om te lei in 'n land wat bekwame en etiese leiers dringend nodig het. Hierdie is per slot van rekening 'n plek wat uitnemendheid inspireer en lewens verander.

Julle volg in die voetspore van sommige van die grootste leiers wat hulself nou as Kovsies beskou – wyle Nelson Mandela, Desmond Tutu en Oprah Winfrey. Julle verkeer in goeie geselskap.

Ek het baie van julle in my tyd as Visekanselier en Rektor ontmoet. Hoewel ek nie vandag hier teenwoordig is nie, weet dat ek in gees en gedagte by julle is.

Weereens baie geluk. Ek salueer julle.

The Seanamarena – the traditional Basotho blanket.
Die Seanamarena – die tradisionele Basotho-kombers.

The Main Procession graduation gowns – embroidered with rich diversity

South Africa, and the Free State in particular, has a long-standing friendship with our neighbouring country, Lesotho. Through a shared history, we have become co-creators of our futures. For this reason, the UFS decided to incorporate our tradition with that of the Basotho in the design of our Main Procession graduation gowns.

The gowns are inspired by the Seanamarena – the traditional Basotho blanket. The different patterns on the Seanamarena indicate the status one holds in the Basotho nation or reflect the occasion being celebrated. Keeping the Seanamarena pattern in mind, we combined our traditional academic designs with that of the Basotho nation.

Die togas vir die Hoofgradeplegtigheidsprosessie – geborduur met 'n ryke verskeidenheid

Suid-Afrika, en die Vrystaat in die besonder, se vriendskap met ons buurland, Lesotho, bestaan reeds baie lank. Deur middel van ons gedeelde geskiedenis, het ons die medeskeppers van ons toekoms geword. Om hierdie rede het die UV besluit om ons tradisie met dié van die Basotho te vermeng in die ontwerp van ons togas vir die Hoofgradeplegtigheidsprosessie.

Die togas is geïnspireer deur die Seanamarena – die tradisionele Basotho-kombers. Die verskillende patronen op die Seanamarena is 'n aanduiding van die status wat die persoon in die nasie beklee, of van die geleentheid wat gevier word. Met die Seanamarena-patroon in gedagte, is ons tradisionele akademiese ontwerpe met dié van die Basotho-nasie gekombineer.

Yoke patterns Skouerstuk-patrone

Yoke pattern for the Chancellor and Vice-Chancellor Skouerstuk-patroon vir die Kanselier en Visekanselier

This Seanamarena pattern is an interpretation of a design – used exclusively for the king and chiefs – which means “to swear by the king”. This blanket has the highest status of all Basotho blankets.

Hierdie Seanamarena-ontwerp is 'n interpretasie van 'n ontwerp wat uitsluitlik vir die koning en opperhoofde gebruik word en dit beteken "om te sweer by die koning". Hierdie kombers het die hoogste status van alle Basotho-komberse.

Yoke pattern for the Chairperson of the Council Skouerstuk-patroon vir die Voorsitter van die Raad

This Seanamarena Victorian crest motif appeared after the visit of the Prince of Wales to Lesotho in 1925, which made a profound impression on the local people. Customers refer to this blanket as 'lesiba' – meaning feathers – when buying it.

Die Seanamarena Victoriaanse wapenmotief verskyn na die besoek van die Prins van Wallis aan Lesotho in 1925, wat 'n groot indruk op die mense gemaak het. Kliënte verwys na die kombers as 'lesiba' – wat vere beteken – wanneer dit gekoop word.

Yoke pattern for the Vice-Rector Skouerstuk-patroon vir die Viserektor

This Seanamarena Poone design symbolises good crops, wealth, and fertility. The Poone is given as a present to honour an important visitor.

Hierdie Seanamarena Poone-ontwerp simboliseer goeie oeste, rykdom en vrugbaarheid. Die Poone word gegee as 'n geskenk om 'n belangrike besoeker te eer.

Yoke pattern for the Registrar Skouerstuk-patroon vir die Registrateur

The same Seanamarena Poone design used for the Vice-Rector applies to the Registrar, with some slight design and colour alterations.

Dieselfde Seanamarena Poone-ontwerp vir die Viserektor is van toepassing op die Registrateur, met effense ontwerp- en kleurveranderings.

The deans wear gowns made in the colours of the faculties or others which indicate the office they hold.

Die dekane dra togas in die kleure van hulle fakulteite en ander se togas duif die amp wat hulle beklee, aan .
