# Message from the Acting Vice-Chancellor and Rector Boodskap van die Waarnemende Visiekanselier en Rektor

PROF NI MORGAN

Dear Student

Today is the culmination of years of studying towards your chosen degree and one of the most memorable days of your time as a student at the University of the Free State (UFS).

There is nothing more fulfilling than walking across the stage and being capped, knowing that you have achieved what you set out to do in your academic career. Congratulations on this fine achievement.

As a university widely recognised for human reconciliation and compassion, as well as for excellence in academic achievement, we are proud to confer this degree upon you during a time when the entire South African higher-education sector is experiencing exceptional challenges. Unlike many other universities in the country, the UFS was fortunate with the extent of the student protests in 2016. The understanding and support received from the university community – including the parents/guardians of our students – are greatly appreciated. The UFS supports free education for poor students and its pro-poor fee structure has given access to education and an opportunity to thousands of students to graduate.

To enable the university to continue with this support, assistance from our alumni has become increasingly important. The university takes pride in you as our graduate and we hope that you are equally pleased to join a special community of alumni that is 112 years old. With this shared sense of achievement, it is hoped that you had a challenging and enriching learning experience at Kovsies; that you learnt about confidence, the ability to express your opinions, the value of human dignity, and the significance of democracy. The UFS is, after all, a place that inspires excellence and transforms lives.

Today is also an important day for the parents, partners, family, and friends of the graduands. Obtaining a degree is seldom managed without the encouragement and support of those closest to us. That is why this special group of people is recognised as a part of today's celebrations.

It is hoped that the ceremony will be an occasion that you will remember fondly for the rest of your lives.

We salute you and wish you every success for the future.

Beste Student

Vandag is die hoogtepunt van jarelange studie vir die graad wat jy gekies het, asook een van die onvergeetlikste dae van jou lewe as student aan die Universiteit van die Vrystaat (UV).

Daar is niks meer vervullend nie as om oor die verhoog te stap en jou graad te ontvang in die wete dat jy bereik het wat jy vir jou akademiese loopbaan in die vooruitsig gestel het. Baie geluk met hierdie pragtige prestasie.

As 'n universiteit wat wyd erken word vir menslike versoening en deernis, asook vir uitnemendheid in akademiese prestasie, is ons trots om hierdie graad aan jou toe te ken in 'n tyd wanneer die hele Suid-Afrikaanse hoërondewyssektor buitengewone uitdagings ervaar. In teenstelling met baie ander universiteite in die land, was die UV gelukkig met die omvang wat die studentepotes in 2016 aangeneem het. Die begrip en ondersteuning wat van die universiteitsgemeenskap ontvang is – ook dié van die ouers/voogde van ons studente – word hoog op prys gestel. Die UV ondersteun gratis onderwys vir behoeftige studente en sy behoeftig-gesinde tariefstruktuur het aan duisende studente toegang tot hoër onderwys verleen, asook 'n geleentheid om te graduateer.

Om die universiteit in staat te stel om met hierdie ondersteuning voort te gaan, het hulp van ons alumni toenemend belangrik geword. Die universiteit neem ook genoeg in jou as ons gegradueerde en ons hoop dat jy net so opgewonde is om by 'n spesiale alumnigemeenskap aan te sluit wat reeds 112 jaar oud is. Met hierdie gedeelde sin van prestasie, hoop ons dat jy 'n stimulerende en verrykende leerervaring by Kovsies gehad het; dat jy geleer het omtrent selfvertroue, die vermoë om jou mening te lug, die waarde van menswaardigheid en die belangrikheid van demokrasie. Die UV is per slot van sake 'n plek wat uitnemendheid inspireer en lewens verander.

Dit is vandag ook 'n belangrike dag vir die ouers, lewensmaats, familie en vriende van graduandi. Om 'n graad te behaal, kan selde vermag word sonder die aanmoediging en ondersteuning van die mense wat die naaste aan ons is. Dit is die rede waarom hierdie spesiale groep mense erken word as deel van vandag se vieringe.

Ons hoop dat die seremonie 'n geleentheid sal wees wat jy vir die res van jou lewe met deernis sal onthou.

Ons salueer jou en wens jou alles van die beste vir die toekoms toe.

**The Seanamarena – the traditional Basotho blanket.**  
**Die Seanamarena – die tradisionele Basotho-kombers.**

### **The Main Procession graduation gowns – embroidered with rich diversity**

South Africa, and the Free State in particular, has a long-standing friendship with our neighbouring country, Lesotho. Through a shared history, we have become co-creators of our futures. For this reason, the UFS decided to incorporate our tradition with that of the Basotho in the design of our Main Procession graduation gowns.

The gowns are inspired by the Seanamarena – the traditional Basotho blanket. The different patterns on the Seanamarena indicate the status one holds in the Basotho nation or reflect the occasion being celebrated. Keeping the Seanamarena pattern in mind, we combined our traditional academic designs with that of the Basotho nation.

### **Die togas vir die Hoofgradeplegtigheidsprosessie – geborduur met 'n ryke verskeidenheid**

Suid-Afrika, en die Vrystaat in die besonder, se vriendskap met ons buurland, Lesotho, bestaan reeds baie lank. Deur middel van ons gedeelde geskiedenis, het ons die medeskeppers van ons toekoms geword. Om hierdie rede het die UV besluit om ons tradisie met dié van die Basotho te vermeng in die ontwerp van ons togas vir die Hoofgradeplegtigheidsprosessie.

Die togas is geïnspireer deur die Seanamarena – die tradisionele Basotho-kombers. Die verskillende patrone op die Seanamarena is 'n aanduiding van die status wat die persoon in die nasie beklee, of van die geleentheid wat gevier word. Met die Seanamarena-patroon in gedagte, is ons tradisionele akademiese ontwerpe met dié van die Basotho-nasie gekombineer.

# Yoke patterns Skouerstuk-patrone

## Yoke pattern for the Chancellor and Vice-Chancellor Skouerstuk-patroon vir die Kanselier en Visekanselier

This Seanamarena pattern is an interpretation of a design – used exclusively for the king and chiefs – which means “to swear by the king”. This blanket has the highest status of all Basotho blankets.

Hierdie Seanamarena-ontwerp is 'n interpretasie van 'n ontwerp wat uitsluitlik vir die koning en opperhoofde gebruik word en dit beteken “om te sweer by die koning”. Hierdie kombers het die hoogste status van alle Basotho-komberse.

## Yoke pattern for the Chairperson of the Council Skouerstuk-patroon vir die Voorsitter van die Raad

This Seanamarena Victorian crest motif appeared after the visit of the Prince of Wales to Lesotho in 1925, which made a profound impression on the local people. Customers refer to this blanket as 'lesiba' – meaning feathers – when buying it.

Die Seanamarena Victoriaanse wapenmotief verskyn na die besoek van die Prins van Wallis aan Lesotho in 1925, wat 'n groot indruk op die mense gemaak het. Kliënte verwys na die kombers as 'lesiba' – wat vere beteken – wanneer dit gekoop word.

## Yoke pattern for the Vice-Rector Skouerstuk-patroon vir die Viserektor

This Seanamarena Poone design symbolises good crops, wealth, and fertility. The Poone is given as a present to honour an important visitor.

Hierdie Seanamarena Poone-ontwerp simboliseer goeie oeste, rykdom en vrugbaarheid. Die Poone word gegee as 'n geskenk om 'n belangrike besoeker te eer.

## Yoke pattern for the Registrar Skouerstuk-patroon vir die Registrateur

The same Seanamarena Poone design used for the Vice-Rector applies to the Registrar, with some slight design and colour alterations.

Dieselfde Seanamarena Poone-ontwerp vir die Viserektor is van toepassing op die Registrateur, met effense ontwerp- en kleurveranderinge.

The deans wear gowns made in the colours of the faculties or others which indicate the office they hold.

Die dekane dra togas in die kleure van hulle fakulteite en ander se togas dui die amp wat hulle beklee, aan .
