## IMPACTS PRODUCED

The UFS made the biggest contribution towards attaining Sustainable Development Goals 3 and 4, two of the goals espoused in the SA Government's National Development Plan (education and health) and Agenda 2063's 20 goals to ensure "well-educated citizens and skills revolution underpinned by science, technology and innovation" and "healthy and well-nourished citizens".

## WELL BEINGS IMPACTED

The University of the Free State (UFS) is a research-led, student-centred and regionally-engaged university that contributes to development and social justice through the production of globally competitive graduates and knowledge.
