

Ticket allocation for April graduations: Announcement

The UFS April graduation ceremonies will be held in the Callie Human Centre on the Bloemfontein Campus from 8 to 12 April 2019. A total of 4804 degrees will be conferred, with the ceremonies for the different faculties taking place according to the dates and times below.

Please note that there is a limit on the number of guest tickets available to graduates. This is due to the capacity of the Callie Human and the number of graduates expected to attend the ceremony. Should you like more guests to attend, we will provide them with seats at our live streaming venue, where they can watch the graduation on a big screen.
