

INVITATION

the Global Citizen

The University of the Free State (UFS) and the [South African Chamber of Commerce United Kingdom \(SACC UK\)](#) are pleased to invite you to the next conversation of the Global Citizen Series.

SACC UK representative, Director of Mindofafox, futurist, and bestselling author, [Chantell Ilbury](#), will facilitate this thought-provoking and engaging conversation between UFS Vice-Chancellor and Principal, [Prof Francis Petersen](#), and President and Chief Executive of the International Council on Mining and Metals (ICMM), [Rohitesh Dhawan](#).

The discussion will explore the strategic priorities and breakthroughs in the mining and metals industry in relation to critical areas of climate and environmental resilience, social performance, governance and transparency, and innovation for sustainability.

Dhawan, a fellow and faculty member of the Africa Leadership Initiative, will reflect on leadership through collaboration to enhance the contribution of mining and metals towards sustainable development and the progress that is possible when citizens collectively focus on improving the lives of others and our planet.

Participate in the Global Citizen event **in person** or **online via live stream**. Kindly RSVP and indicate your preferred method of participation.

Join the Global conversation for Global Citizens.
