1

#### STEP ONE

Apply **online**. Visit <https://apply.ufs.ac.za>

2

#### STEP TWO

Your application is submitted. You will receive a student number and acknowledgement of your application. If you have not submitted the required documents, you will be requested to do so in order to finalise your application.

3

#### STEP THREE

- Your application will be evaluated by the university. Should your evaluation be positive, you will receive an offer – **SUBJECT TO AVAILABILITY OF SPACE**. Selection programmes are excluded.
- If you have indicated in your application that you require on-campus residence, you will also receive correspondence from Housing and Residence Affairs.

4

#### STEP FOUR

You need to source and secure financial support for your studies.

Note that qualifying for your programme of choice, does not guarantee admission.

5

#### STEP FIVE

When the Grade 12 results are released in January, all applications will be re-evaluated and should your evaluation be positive, you will receive a final offer. **Note: Meeting the minimum admission requirements for your programme of choice, does not guarantee admission.**

6

#### STEP SIX

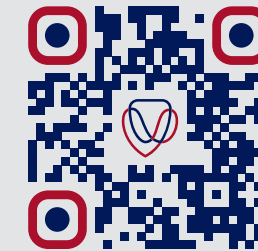

You have to complete the offer acceptance process online within the requested timeframe. If you fail to complete the offer acceptance process before the deadline, the offer will be withdrawn and you will lose your space. **Note that limited spaces are available.**
