

Post-Graduate Qualifications in Bible Translation **University of the Free State (Bloemfontein, South Africa)**

MA Bible Translation Management

The MA Bible Translation Management was begun at the request of SIL Africa and iDelta for the training of Language Programme Managers, but is open to students who are not connected to SIL. This unique programme combines training in management and leadership with instruction in Bible translation.

- 1 years full time / 2 years part-time
- Does not require residence in South Africa
- Three modules (classes): “Management and Leadership for Bible Translators,” “Theology, Religion Studies and Culture” (or “Advanced Topics in Theology, Religion Studies and Culture”), and “Bible Translation and Linguistics” (or “Advanced Topics in Bible Translation and Linguistics”)
- Mini-dissertation on a topic relevant to the student
- Prerequisite for admission: four year bachelor’s qualification OR three year bachelor’s qualification plus one year BA Honours qualification
- Students who hold tertiary qualifications (qualifications) at non-South African institutions, must have their previous qualifications certified by SAQA [South African Qualifications Authority] -- www.saqa.org.za
