

## **Post-Graduate Qualifications in Bible Translation** **University of the Free State (Bloemfontein, South Africa)**

### **PhD Bible Translation**

The PhD Bible Translation is a research qualification which consists solely in the writing of a doctoral thesis. Prospective students should contact the Coordinator of Bible Translation Programmes to discuss potential topics for research.

- Does not require residence in South Africa; requires access to a library for research.
- Prerequisites for Admission: master's qualification in relevant field, including the writing of a master's dissertation
- Students who hold tertiary qualifications (qualifications) at non-South African institutions, must have their previous qualifications certified by SAQA [South African Qualifications Authority] -- [www.saqa.org.za](http://www.saqa.org.za)
