

## BACHELOR OF DIVINITY SELECTION FORM

The Bachelor of Divinity is a degree designed in consultation with Christian churches. It offers comprehensive training for a professional career in Christian ministry.

Christian denominations have different requirements for the training of their students. It is imperative that you as a prospective student consult with your church's training body to make sure that you apply for the correct qualification and that you eventually register for the appropriate modules.

If you want to study theology, but you are not sure if you will meet the minimum requirements, please continue with the application. We will direct you to theological qualifications where you do meet the minimum requirements where possible.
