

FACULTY OF THEOLOGY AND RELIGION

The following programme is presented on the Bloemfontein Campus:

The faculty is the only institution in central South Africa that offers fully-fledged, all-inclusive theological education to train students for a professional career in ministry. It offers training in all theological disciplines, starting at the undergraduate level. The faculty embraces values that encourage cultural, gender, and ethnic inclusivity, and promote academic and intellectual excellence, innovation, and support, as well as spiritual and ethical integrity. It also strives to establish a sense of community and hospitality within all the spheres of faculty activities.

The Faculty of Theology and Religion delivers a unique national and international contribution to developing the church, society, and the academic environment. This is achieved through quality theological education and specialist research based on dedicated theological teaching and a solid research framework.
