“Your alternative gateway to higher-education studies”

Hello, I am...

DR. MARIA MADIOPE

Campus Principal for the University of the Free State, South Campus.

Couldn't get university admission? It does not have to be the end of the road for you.

Do you have an AP of at least 18? In that case, you can get access to Higher Certificate study programmes if you meet the minimum requirements of the University Access Programme (UAP). This gateway to education provides you an opportunity to access studies in mainstream programmes after the successful completion of an access year.

WHAT IS THE UAP?

We introduced this programme to assist many deserving students who do not meet our admission requirements. There are various study options:

- Higher Certificate in Economic and Management Sciences (Commerce route)
- Higher Certificate in Economic and Management Sciences (Administration route)
- Higher Certificate in Humanities (there are six different options to choose from)

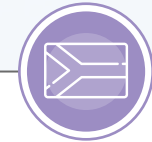

APPLICATIONS

ALL STUDENTS:
Applications open on 1 July 2021

INTERNATIONAL STUDENTS:
