Notifications

All successful and unsuccessful applicants will be notified by 7 June 2024. Funding can only be utilised for tuition fees. You will forfeit the bursary if you have not registered for the relevant modules. The National Department of Sport, Arts and Culture allows students to hold bursaries from other sources. However, applicants are responsible to verify the conditions of other funders. For example, students on a full NSFAS bursary may not receive another full cost of study bursary from another source at the same time. Any excess funding must be refunded to NSFAS by the Institution. In the same way, the National Research Foundation (NRF) does not allow that students simultaneously hold bursaries or funding from another SA government, NRF source or NRF-administered source. The UFS and DSAC reserve the right to withdraw and cancel the bursary should the applicant fail to meet all necessary conditions and/or requirements as stated in the bursary contract for 2024.
