# South African Financial Planning Handbook 2018

Authors: M Botha, L Rossini, W Geach, B Goodall, L du Preez, P Rabenowitz

This work is widely regarded as the most comprehensive reference work for professional financial planners in South Africa.

### Why you can't do without it

An essential reference. Covers all aspects of financial planning in one volume.

The prescribed textbook – post graduate qualifications in financial planning and the FPI Professional Competency

Up-to-date. All chapters have been reviewed and updated to include new examples and insight from our team of authors.

We recommend that you also purchase *Financial Calculations*. This book contains a collection of calculations that financial advisers encounter on a daily basis – examples as well as worksheets in A4 format so that the user can actually work through them.

All orders must be completed on this special order form to qualify for the discounted rates (you may use photocopies).

#### Terms and Conditions

1. Price reflected on this order form already includes the 10% discount. 2. All prices are quoted in South African Rands. 3. Prices are valid for 2018. 4. Prices include 14% VAT. Packaging and delivery is included. 5. LexisNexis reserves the right to alter prices without notice. 6. Written communication and return of goods must be received from the consumer within one calendar month from date of invoice, no returns will be accepted after this period. 7. Goods returned must be in their original condition, a fee may be charged if goods have been damaged. 8. Where goods are returned in their original unopened packaging, no charge will be levied. This is provided that such goods are returned 1 calendar month from date of invoice. 9.
