

BIOGRAPHY-DR SHIRLEY GENGA

Dr Shirley Genga holds an LLB, LLM (UON), PhD (Wits University) and has worked in both the Kenyan media industry and academia. She is serving as a post-doctoral fellow at the Free State Centre for Human Rights where she intends to delve into research that touches on disability, social justice and equality, data privacy, and the right to development. Her current interest and area of focus is the intersection between human rights and emerging technology with an African focus.
