Dear Johan

A Century of Jurisprudence

Thank you so much for your kind invitation to the wonderful celebrations in the next few weeks marking the first centenary of the Faculty of Law at the University of the Free State. I deeply regret that I will not be able to be with you personally on this auspicious occasion.

I do know that the Law Faculty exhibits in you, your faculty staff and students the excellence of legal education and training and legal research which one would expect from such a great, and honourable institution with such an important history.

On this occasion the Institute of Advanced Legal Studies wishes to record its salute to your first one hundred years. We wish you centuries more.

With very best wishes, yours sincerely

Professor Avrom Sherr
