<https://www.ufs.ac.za/kovsielife/student-finance>

- 3.1 2021 account balances must be zero.
- 3.2 First payments are due **five (5) working days prior to registration**. Students will not be able to register until these amounts reflect as **CREDITS** on their tuition-fee accounts.
- 3.3 The full amount is payable if the total fees are less than the first payment required. **Generate a quotation on <http://kovsielife.ufs.ac.za/quote/quote.aspx>**
- 3.4 Students studying with financial aid (bursary/loan) (**SA students only**):
  1. Students with confirmed NSFAS funding are exempted from making the first payment, provided that their 2021 account balance is zero.
  2. First-time-entering students who applied for NSFAS funding but have not received funding confirmation, must make the first payment. Payments will be refunded once NSFAS is confirmed.
  3. Students with financial aid (bursary/loan) that does **not cover all the fees for the year**, must make the first payment five (5) working days prior to registration. Failure to do so will delay registration.
  4. If the financial aid covers all the expenses for the full academic year, the first payment will be reduced.
  5. Should a student qualify for an academic merit award, it may be used, partially or fully, to cover the first payment.
  6. Proof of financial aid must be faxed to +27 51 401 3579 or emailed to [tuitionfees@ufs.ac.za](mailto:tuitionfees@ufs.ac.za), five (5) working days prior to registration. The ORIGINAL CONFIRMATION of the bursary/loan must be presented during registration.
  7. **IMPORTANT:** If you have a bursary, it is your responsibility to ensure that your bursary donor makes payments on time, and in accordance with university regulations. You must also make sure that your bursary provider has your student account details.
  8. If your bursary provider does not pay your account on time, interest will be charged and debited to your account. You or your parents/guardian will be responsible to pay such interest.

First-time-entering students (students who will register for the first time at the UFS) and who will still be minors in February and March 2022, are reminded to have their parent/guardian/other third party complete and sign the Financial Agreement (Credit Facility form), which was emailed to them. Students must upload the document as per the instructions, or alternatively email the documents to [tuitionfees@ufs.ac.za](mailto:tuitionfees@ufs.ac.za) as soon as possible prior to registration. Failure to do so will delay registration. For enquiries, call +27 51 401 9111.
