
MAGISTER AGRICULTURAE**Study code: 5720**

Study aims:

The aims of this degree is:

1. to give specialised post-graduate agricultural management and research training;
2. to train the student such that he/she can integrate, communicate and apply the principles, concepts and knowledge of agricultural and management sciences ;
3. to enhance the student's research abilities so that he/she can qualify as a specialist in this subject.

A student registering for the M.Agric. degree by submitting a **dissertation** (120 credits) uses the following code: LBB700.

Students with a B.Agric. Hons. degree must do a dissertation (LBB700)

OR a script (LBB791 - 60 credits) plus two examination papers of three hours each in the following subjects:

LBB701: Research Methodology (30 credits).

LBB702: Strategic and Risk Management (30 credits).

Students who are in possession of a B.Agric. degree of other equivalent qualification, can enter for the M.Agric. study in Agricultural Management, provided that:

- such student completes the M.Agric. study in at least two years;
- additional to the dissertation LBB700 (120 credits) two supplementary subjects must be taken, namely: LBB703 and LBB704 (60 credits each, one examination paper of 4 hours in each module);
OR
LBB701 and LBB702 (30 credits each, one examination paper of three hours in each module)
plus LBB703 and LBB704 (60 credits each, one examination paper of 4 hours in each module)
plus the script, LBB791 (60 credits).

Candidates who passed the prescribed modules, but does not fulfil the requirements for doing the script or dissertation, can apply that the B.Agric.Hons. degree will be awarded to them.

Vir kandidate wat oor 'n **B.Agric.Hons.**-graad beskik, word 'n verhandeling (LBB700)

OF 'n skripsie (LBB791 – 60 krediete) **plus** twee vraestelle van drie uur elk in die volgende vakke vereis:

LBB701: Navorsingsmetodologie (30 krediete)

LBB702: Strategiese en Risikobestuur (30 krediete).

Kandidate wat oor 'n toepaslike **B.Agric.**-graad of gelykwaardige kwalifikasie beskik, kan in oorleg met die departementele voorsitter, tot 'n M.Agric.studie in Landboubestuur toegelaat word. Toelating is onderhewig daaraan dat:

1. sodanige kandidate die M.Agric.-studie in Landboubestuur oor minstens twee jaar aanbied; en
2. addisioneel tot die verhandeling LBB 700 (120 krediete) moet twee aanvullende modules geneem word, naamlik:
LBB703 en LBB704 (60 krediete elk, een eksamen vraestel van vier uur in elke module).
OF:
LBB701 en LBB702 (30 krediete elk, een eksamen vraestel van drie uur in elke module)
plus LBB703 en LBB704 (60 krediete elk, een eksamen vraestel van vier uur in elke module)
plus die skripsie, LBB791 (60 krediete).

Kandidate wat die voorgeskrewe modules geslaag het, maar nie aan die vereistes van die verhandeling of skripsie voldoen nie, kan aansoek doen dat die B.Agric.Honneursgraad in Landboubestuur toegeken word.
