

Bibliography – Domestic dog leaflets

The following sources were consulted to compile our series of information leaflets on domestic dogs:

- Badenhorst, C.G., 2014. *The economic cost of large stock predation in the North West province of South Africa*. M.Sc. dissertation. University of the Free State, South Africa.
- Estes, R.D., 2012. *The behaviour guide to African mammals including hoofed mammals, carnivores, primates*. University of California Press, Ltd.
- Roberts, D.H., 1986. Determination of predators responsible for killing small livestock. *South African Journal of Wildlife Research* 16: 150–152.
- Schumann, M., 2004. *Guide to integrated livestock and predator management*. CCF/RISE Namibia, Cheetah conservation fund, Windhoek, Namibia.
- Smuts, B., 2008. *Predators on livestock farms*. Landmark Foundation
- Strauss, 2009. *The impact of predation on a sheep enterprise in the Free State Province*. M.Sc. Agric. dissertation. University of the Free State, Bloemfontein, South Africa.
- The predation management forum. 2016. *Predation Management Manual*. Agriconnect (Pty) Ltd.
- Toledo-Gonzales, V.A., Ortega-Ojeda, F.E., Fonseca, G.M., Garcia-Ruiz, C., Perez-Lloret, P., 2019. Morphometric Analysis of Bite Mark Patterns Caused by Domestic Dogs (*Canis lupus familiaris*) Using Dental Wax Registers. *International Journal of Morphology* 37: 885–893.
- Van Niekerk, H.N., 2010. *The cost of predation on small livestock in South Africa by medium-sized predators*. M.Sc. Agric. dissertation. University of the Free State, Bloemfontein, South Africa.
- Verzuh, T., Bergman, D.L., Bender, S.C., Dwire, M. & Breck, S.W., 2018. Intercanine width measurements to aid predation investigations: a comparison between sympatric native and non-native carnivores in the Mexican wolf recovery area. *Journal of Mammalogy* 99(6): 1405-1410. DOI:10.1093/jmammal/gyy145
