Conference outcomes

The theme of the conference – Cementing the Future – addresses how the built environment has progressed since the advent of democracy. Within the topics listed, responses are sought to the following critical questions:

- How can the industry address transformation in a meaningful way?
- How can the statutory environment be addressed to improve collaboration within the industry?
- How rapidly increasing technology change is addressed by the industry?

Abstracts and papers

Authors are invited to submit abstracts in English of not more than 200 words for peer review by the scientific and technical committee by not later than 30 April 2015. Abstracts will be reviewed according to the relevance to the topics and objectives of the conference; originality of subject matter; likely academic rigour of the proposed paper; and likely contribution to knowledge, or practical relevance of the proposed paper.

Submissions

Submit abstracts and papers as Word documents by email: sacqsp2015@ufs.ac.za
