### Preconditions for admission

Admission to a Master's Degree Programme is subject to approval by the chair of the department. To be admitted, students should have obtained an average of at least 65% in their Bachelor Honours Degree Programme.

Prospective students must apply for admission to the programme prior to registration.

Students who completed an Honours Degree in one field of specialisation presented in the department but wish to complete a Master's Degree in another field that is also presented in the department may only do so with the permission of the chair of the department. Additionally, before enrolment, students must complete all the compulsory modules (or equivalents) of the Honours Degree corresponding to the Master's Degree for which they wish to enrol. Detailed information concerning the methods of presentation and the optimal compilation of a programme package is available from the chair of the Department of Economics and Finance.
