YUNIVESITHI YA
FREISTATA

Against the background of our mission to be a dynamic, innovative, and quality-driven faculty, we cover a diverse academic spectrum, from public and private sector management to specialised training for accountants at both undergraduate and postgraduate level, and we aim to provide relevant, market-driven capacity and competence through, inter alia, research.

The development of research is crucial for the mission of the faculty and the university, namely excellence in teaching, applied research, and our contribution to social and economic development in society. All of this is founded on the creation, development, and application of knowledge – the very essence of research, discovery, and creativity. Taking cognisance of this, the Faculty of Economic and Management Sciences accepts the challenge to be relevant, yet different in a highly competitive local and global society.

So, join us in this endeavour and become part of a winning team. Please contact the faculty and we will assist you in making the right choice!

DEAN: PROF HJ KROUKAMP

FACULTY OF ECONOMIC AND MANAGEMENT SCIENCES

First Bachelor degrees in this faculty are aimed at developing students' intellectual skills through scientific teaching and learning so that they will be thoroughly prepared for various careers in the broad field of Economics and Management. These careers are found in the private sector, certain professions, the public sector, as well as secondary and higher education.

Students may obtain first-degree qualifications in one of three teaching programmes: Private Sector Management, Public Sector Management, and Training of Accountants.

The faculty offers a number of first Bachelor degrees in the three teaching programmes. In each of these programmes, students may specialise in specific fields as indicated in brackets after the reference to the degree. The faculty is continuously supporting students to succeed in their studies through exposure to international exchange programmes, appointing excellent lecturers, and close collaboration between the private and public sector enterprises. Fulbright Scholarships were awarded to two staff members, Professors Philippe Burger and Frikkie Booysen. Furthermore, the faculty boasts seven NRF-rated staff members. All of the above contributes to the quality learning and teaching experience you can expect from us. It will be a privilege to be part of your academic career at Kovies!.

APPLICATION TO STUDY IN 2019

BECOME A UFS STUDENT IN EIGHT STEPS

1

Apply online or in hard copy.

Your application form is captured. You will receive a student number. If you have not submitted the required documents, you will be requested to do so in order to finalise your application.

2

3

You will receive a conditional offer for non-selection programmes if you meet all the admission requirements. Selection programmes are excluded.

If you have applied for a residence on campus, you will now receive correspondence from Housing and Residence Affairs.

4

5

If you are accepted when the final Grade 12 results are released, you will receive communication regarding your acceptance.

Five (5) days prior to registration in early 2019, you have to make a prepayment. Use your student number as a reference number.

6

7

Register either online or manually.

Collect your study material and timetable after registration.

Confidentiality Clause

The UFS confirms that all personal information provided in your application form will be treated confidentially and will not be sold to a third party or used for commercial or related purposes. The UFS further confirms that your personal information will only be used for purposes relating to your potential relationship with the UFS as a student, including, but not limited to the processing of your application to study at the UFS, effecting registration at the UFS, and for any communication purposes related to your application and/or registration to study at the UFS.

ADMISSION

Pay attention to the following important information:

- The UFS reserves the right to change the minimum requirements of each programme or any other information without notifying you.
- There are specific admission requirements that you should meet if you want to study at any South African university. If you finished school in or after 2008, and have a National Senior Certificate (NSC), you need the following to apply for admission to a Bachelor's degree at any South African university:
 - Four (4) of the seven (7) subjects included in your NSC subject package should be from the designated subject list
 - A performance level of at least 4 (50%) in each of these four (4) subjects
- All admission requirements apply to first-year students in 2019.
- Admission to study at the UFS is dependent on the following:
 - Your application should meet all the minimum requirements for the programme
 - The programme must have available space and capacity to admit students
 - You have to submit valid school results with your application
- Applications for all non-selection programmes close on 30 September 2018.

An admission point (AP) consisting of seven levels is used. Points will be awarded for six academic modules.

No points will be awarded for achievement levels lower than 30%:

NSC Level	7 (90–100) %	7 (80–89) %	6 (70–79) %	5 (60–69) %	4 (50–59) %	3 (40–49) %	2 (30–39) %	1 (0–29) %
UFS AP	8	7	6	5	4	3	2	-

One point is awarded for Life Orientation (LO) from achievement level 5 (60%) or higher.

GENERAL ADMISSION REQUIREMENTS

For the mainstream programmes offered in the faculty, you require:

- National Senior Certificate
- Minimum AP of at least 30
- Language of instruction on minimum level 4 (50%)

ABBREVIATIONS

From this point forward, we will use these abbreviations instead of the full terms:

- NSC: National Senior Certificate
- AP: Admission Point
- BC: Bloemfontein Campus
- QC: Qwaqwa Campus
- SC: South Campus
- AL: Academic Literacy Test (NBT)
- QL: Quantitative Literacy Test (NBT)
- MT: Mathematics Test (NBT)
- N/A: Not applicable

The faculty offers programmes on all three UFS campuses, i.e. Bloemfontein, South, and Qwaqwa Campuses.

UNIVERSITY ACCESS PROGRAMMES (UAP)

The faculty offers both Higher Certificates and University Preparation Programmes within the UAP.

HIGHER CERTIFICATES

The Higher Certificates in Economic and Management Sciences (EMS) Foundation Development and Access will specifically focus, apart from the foundational subjects, on introductory knowledge in terms of various fields of studies in Human Resource Management, Business Management, Public Administration, and Political Science, depending on electives chosen. This HCert (EMS Foundation Development and Access) addresses the post-school education and training needs of many deserving students who might not meet the minimum current requirements for entry into university studies.

After successful completion of the HCert (EMS Foundation Development and Access), students may articulate vertically to a cognate Advanced Certificate or Diploma at NQF level 6 or a Bachelor's degree such as the BCom or BAdmin (NQF level 7) for which this HCert offer a foundational grounding.

EXCITING OPPORTUNITY!!

If you passed Mathematics on a lower level as required or you have passed Mathematical Literacy on NSC level, but want to study a programme in the Faculty of Economic and Management Sciences, do not despair! The faculty offers Mathematical Intervention courses to help you obtain access to study a BCom degree.

Option 1: If you have Mathematical Literacy but need to upgrade to Mathematics.

Option 2: If you have Mathematics but do not meet the minimum admission requirements for BCom.

Application closing date for both courses/options: 15 November 2018.

Admission to the Mathematical Intervention courses depends on available space and whether you meet the minimum admission requirements.

Contact Marnie Venter at +27 51 401 3819 or venterms@ufs.ac.za for more details on the Mathematical Intervention courses, admission requirements, and fees.
