B | ACADEMIC INFORMATION

HIGHEST QUALIFICATION:

INSTITUTION WHERE OBTAINED:

YEAR COMPLETED:

Remember, at undergraduate level you should have passed at least six of the undergraduate Industrial Psychology modules (or equivalent modules from other institutions) with an average mark of at least 65%, but not less than 60% in each module, of which 64 credits need to be at NQF Level 5 and/or NQF Level 6 and 32 credits at NQF Level 7. These should include the following modules:

Module Code	Module Name
EHRM1514	Introduction to Human Resource Management
EIOP1524	Introduction to Individual Differences
ECAP2614	Career Psychology
ELRM2624	Labour Relations Management
EORG3715	Organisational Behaviour
ETRM3714	Training and Development
EARH3724	Applied Research for Human Resource Management and Individual Differences
EPFM3724	Performance Management

Please note, if your undergraduate qualification does not comply with the above requirement (or pre-approved equivalent), your application will not be considered.

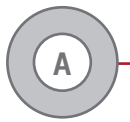

Marks included in the table are your marks available at the time of the application.

DISCLAIMER:

It is your responsibility to contact the Department of Industrial Psychology to provide your final marks. If the Department does not receive your final marks, they will assume that you are not interested in applying for the Honours program in Industrial Psychology anymore.
