ETHICS APPLICATIONS TRAINING MANUAL

How to respond when an Application has
received Conditional Approval

By The Directorate Research Development

2016

Conditional Approval:

Some applications that are reviewed by the Research Ethics Committee are approved in principle and have no omissions or mistakes in the Ethics Clearance Application E-Form, but cannot be fully approved due to at least one document that is incomplete, has been omitted or still has to be signed (such as permission letters from authorities granting the applicant permission to conduct research on a particular group of people or at a particular location).

In such a case the Committee will give Conditional Approval to the applicant. The applicant will receive an email containing a letter in which the Committee has specified which document/s need to be uploaded:

Faculty of Economic and Management Sciences

We look forward to receiving your answers with regards to the requested clarifications. Please provide us with feedback within ten (10) working days from receipt of this letter.
