The Business School has been awarded 3 Palmes by EDUNIVERSAL and belongs to the 3rd League of the 1000 Best Business Schools worldwide.

BACHELOR OF MANAGEMENT LEADERSHIP

A dynamic addition to the spectrum of management programmes on offer is the Bachelor of Management Leadership (BML) aimed at working adult learners. This qualification is based on experiential learning and the assessment and recognition of prior learning. The objective of the BML is to deliver a new generation of formally qualified and innovative managerial leaders equipped to excel in and add value to today's corporate and business environment.

The BML programme was developed in collaboration with the School for New Learning at De Paul University in Chicago.

UNIQUE CHARACTERISTICS

- Modules offered at a time and place available to working people
- Presenters who understand and communicate with adults
- A dynamic and flexible curriculum that engages adults in diverse learning experiences in management leadership
- A competence framework that recognises valid prior learning, provides for diverse goals and believes in differing learning styles
- A commitment to dialogue and negotiation that enables the adult learner to own his/her learning

Our approach to management training is characterised by the emphasis on the need for students to become critical and creative thinkers and eventually leaders who utilise innovative approaches in start-up ventures or within established organisations. Graduates of this programme will be able to compete successfully in the domestic economy.
