

Election to the Council of the University of the Free State

Motivation for the candidate Mr CJ (Christo) Dippenaar

Mr CJ (Christo) Dippenaar has been directly involved with the UFS since 1992 when he registered as first year student. He is known to me since his first year as a student in the residence President Reitz Kamerwonings, Prime and member of the SRC for two years and secondly as employee, and thereafter as Head of Residences.

Christo, affectionally known as Dippies, is a real ambassador for the UFS, students and alumni. He is a real Kowsie. He is keen in seeing everyone succeeds and giving them the tools to do so.

Getting the maximum out of everyone is what he is doing best. He is a real people's person but knows the difference between right and wrong and can convey it in a humane manner.

Christo is a professional lawyer. His thinking is logical and to the point. He is not biased and is a firm believer in the *audi alterem partem* rule.

As a former member of the Council of the UFS, he understands the responsibility of such a position. He lived up to the expectations and more, in his previous tenure. He wants what is best for the UFS.

Christo will bring his wealth of experience to the council of the UFS if elected again.
