

Election to the Council of the University of the Free State

Motivation for the candidate Mr D R Neumann

Daniël R Neumann was awarded a Baccalaureus Scientiae (Physiology and Genetics) and Honneursbaccalaureus Scientiae (Human Physiology) at the University of the Free State in 1984 and 1985, respectively. In 1992 he was awarded a Magister Scientiae in Industrial (Applied) Physiology by the Potchefstroom University for Christian Higher Education, and in 2019 a Bachelor of Theology Honours in Practical Theology by the South African Theological Seminary. Daniël is currently completing his LLB degree through UNISA.

Daniël is the founder of ECOTECHNIK Environmental Consultants (Pty) Ltd and EQUALITI Health Impact Practitioners (Pty) Ltd based in Pretoria providing scientific services in Africa and the Middle East.

Daniël was appointed by the National Minister of the then Department of Environmental Affairs and Tourism to the Board of the Environmental Assessment Practitioners Association of South Africa (EAPASA) on 12 February 2012. Daniël is currently the Chairperson of the Quality & Standards Committee of the Board. In this role he has played a significant role in the registration and application of the Environmental Assessment Qualification with the South African Qualifications Authority (SAQA) and the recognition of EAPASA as a Professional Body by SAQA. Daniël is a member of the Institute of Directors in South Africa and has the knowledge and experience to make significant contributions as a member of Council to the governance of the University of the Free State.
