NATIONAL ANTHEM OF SOUTH AFRICA

Nkosi sikelel' iAfrika

Maluphakanyisw' uphondo lwayo,
Yizwa imithandazo yethu,
Nkosi sikelela, thina lusapho lwayo.
Morena boloka setjhaba sa heso,
O fedise dintwa le matshwenyeho,
O se boloke, O se boloke setjhaba sa heso,
Setjhaba sa South Afrika -
South Afrika.
Uit die blou van onse hemel,
Uit die diepte van ons see,
Oor ons ewige gebergtes,
Waar die kranse antwoord gee,
Sounds the call to come together,
And united we shall stand,
Let us live and strive for freedom,
In South Africa our land.

- Family and friends unable to attend may watch the full graduation ceremonies through our livestream link at <http://livestream.ufs.ac.za>.

ABOUT THE UFS

The University of the Free State (UFS) is one of the oldest institutions of higher education in South Africa.

It opened its doors in 1904 in Bloemfontein as the Grey University

College, with six students in the Humanities. Since then, the institution has grown to more than 40 000 students, spread over three campuses and across seven faculties (Economic and Management Sciences, Education, Health Sciences, the Humanities, Law, Natural and Agricultural Sciences, Theology and Religion).

Most of the students are located on the Bloemfontein Campus, with the Qwaqwa Campus situated in the picturesque Eastern Free State, serving a rapidly-growing number of rural students from the immediate area and surrounding provinces. The South Campus – also situated in Bloemfontein – serves as the centre for distance-learning programmes offered by the UFS, as well as alternative access to higher education for promising students who have not obtained the required marks in their final school examinations.

Over the years, the university has grown into an education hub which has positioned itself on the global stage, promoting research excellence, with exceptionally talented scholars and students who are recognised the world over, as well as alumni who have grown into influential leaders in society.

DEVELOPMENT OF THE UFS CREST OVER MORE THAN A CENTURY

1904

Up to 1935, the same coat of arms was used as the Grey College School.

1935

By 1935, with the name change to University College of the Orange Free State, the coat of arms fell into disuse, especially among students.

1947

In 1947, an agreement between management and students led to the new motto Per Fidem ad Sapientiam (Through faith to wisdom).

1950

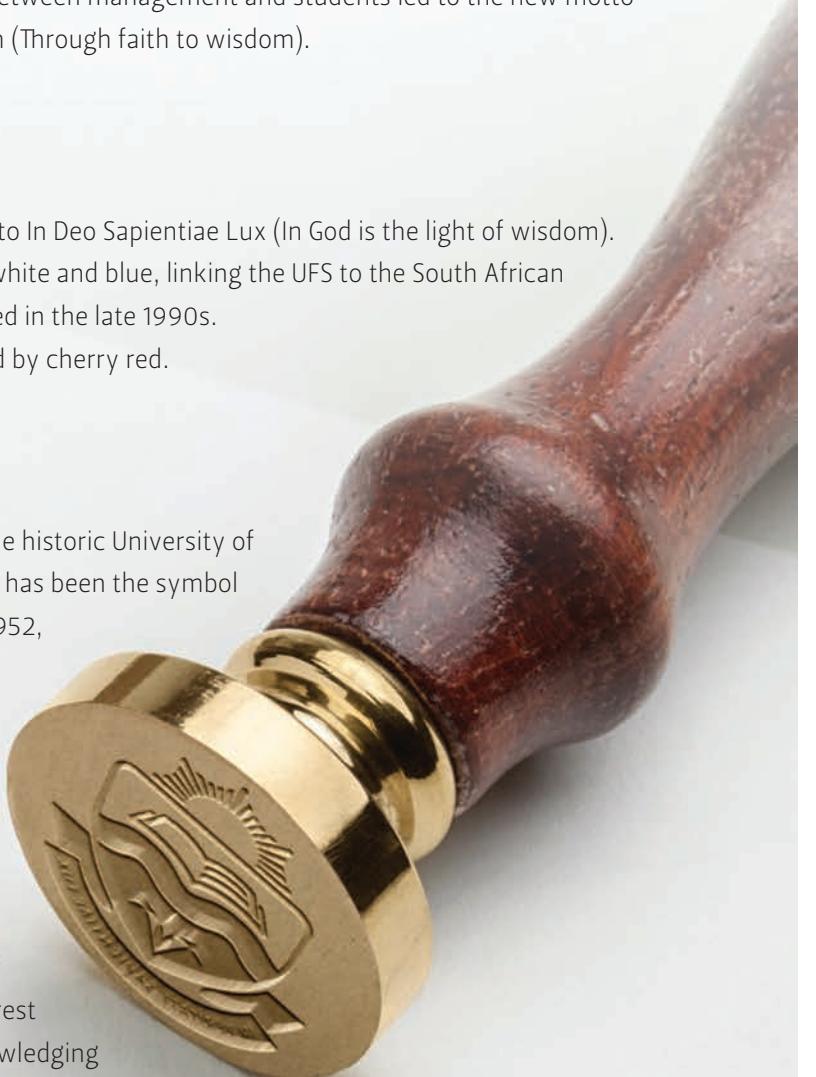

In 1952, it was changed to In Deo Sapientiae Lux (In God is the light of wisdom). The traditional orange, white and blue, linking the UFS to the South African national colours, changed in the late 1990s. The orange was replaced by cherry red.

UNIVERSITY OF THE FREE STATE
UNIVERSITEIT VAN DIE VRYSTAAT
YUNIVESITHI YA FREISTATA

2011

The academic brand – the historic University of the Free State crest that has been the symbol of the university since 1952, has evolved to embrace the aesthetic expectations of the stakeholders. The shape of the traditional academic shield has been simplified and contemporised. Much of the symbolism of the crest remains intact, acknowledging the location of the UFS brand as one of the country's premier institutions of higher education, with a proud history of academic excellence and an ever evolving, vibrant culture.

Dear Student

Today is an unforgettable day and a culmination of your hard work and the time you spent here at the University of the Free State (UFS).

You are not only becoming an alumnus of this great 115-year-old institution, but you are now also part of a community of outstanding individuals who have walked across the stage before you.

This is a significant day for all of us who have been involved in the lives of our graduates. For us at Kovsky – and for your fellow students, friends, and loved ones, this is a time to celebrate and acknowledge your accomplishments, and to bless you with our confidence and hope. May you look back with a sense of pride, knowing that you now possess the required knowledge and skills to build and succeed in your chosen career.

Beste Student

Wantag is 'n onvergeetlike dag en die hoogtepunt van jou harde werk en die tyd wat jy hier by die Universiteit van die Vrystaat (UV) deurgebring het.

Jy word nie net 'n alumnus van hierdie vooraanstaande 115-jaar-oue instelling nie, maar is nou ook deel van 'n gemeenskap van voorstreflike individue wat voor jou oor die verhoog gestap het.

Dit is 'n belangrike dag vir almal van ons wat by die lewens van ons graduandi betrokke was. Vir ons by Kovsky – en vir jou medestudente, vriende en geliefdes is dit 'n tyd om jou prestasies te vier en erkenning daaraan te gee, asook om jou te seën met ons vertroue en hoop. Mag jy met 'n gevoel van trots terugkyk, met die wete dat jy nou die nodige kennis en vaardighede het om jou gekose loopbaan te bou en suksesvol daarin te wees.

Die UV is immers 'n plek wat uitnemendheid inspireer en lewens verander.

Beste wense

MR IT MROTOTO

947 and eNCA Broadcaster

The media industry took note of Thembekile Mrototo after his speedy success as a broadcaster. Starting out in community radio, he is currently a recognised broadcast journalist, working as a news anchor for Johannesburg-based radio station 947 (Eyewitness News), and freelance anchor for news channel eNCA.

Before getting into the industry, Mrototo was a pupil at Castle Bridge Combined School where he matriculated in 2010. He studied at the University of the Free State and later transferred to the University of Johannesburg to continue his studies.

Now a well-known name in broadcasting, the 27-year-old Mrototo initially cut his teeth on community radio while

working as a volunteer newsreader for Motheo FM in Bloemfontein in 2011. This was a natural progression for someone who always knew he wanted to go into broadcasting.

Shortly after, Mrototo joined Eyewitness News as a freelance news anchor when he moved from Bloemfontein to Johannesburg in 2014. He worked his way up in the company at quite a pace to reach his current post as part of 947's Breakfast Club. When he's not braving the early hours of breakfast radio, Mrototo presents news bulletins for the biggest news channel in South Africa, eNCA.

PLEASE NOTE

List of candidates receiving degrees, diplomas and certificates:

Degrees, diplomas, and certificates of candidates who are unable to attend the graduation ceremony will be conferred in absentia.

The Main Procession graduation gowns – embroidered with rich diversity

South Africa, and the Free State in particular, has a long-standing friendship with our neighbouring country, Lesotho.

Through a shared history, we have become co-creators of our futures. For this reason, the UFS decided to incorporate our tradition with that of the Basotho in the design of our Main Procession graduation gowns.

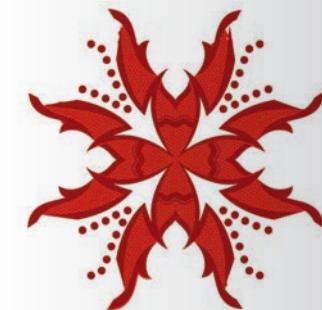

The gowns are inspired by the Seanamarena – the traditional Basotho blanket. The different patterns on the Seanamarena indicate the status one holds in the Basotho nation or reflect the occasion being celebrated. Keeping the Seanamarena pattern in mind, we combined our traditional academic designs with that of the Basotho nation.

YOKE PATTERNS

Yoke pattern for the Chancellor and Vice-Chancellor

This Seanamarena pattern is an interpretation of a design – used exclusively for the king and chiefs – which means “to swear by the king”. This blanket has the highest status of all Basotho blankets.

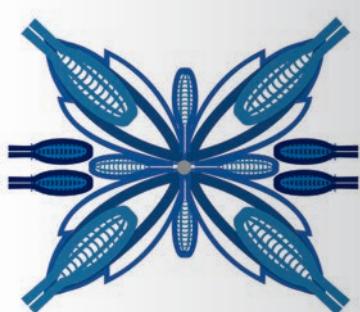

Yoke pattern for the Chairperson of the Council

This Seanamarena Victorian crest motif appeared after the visit of the Prince of Wales to Lesotho in 1925, which made a profound impression on the local people. Customers refer to this blanket as ‘lesiba’ – meaning feathers – when buying it.

Yoke pattern for the Vice-Rector

This Seanamarena Poone design symbolises good crops, wealth, and fertility. The Poone is given as a present to honour an important visitor.

Yoke pattern for Registrar

The same Seanamarena Poone design used for the Vice-Rector applies to the Registrar, with some slight design and colour alterations.

The Deans wear gowns made in the colours of the faculties or others which indicate the office they hold.
