ABOUT THE UFS

The University of the Free State (UFS) is one of the oldest institutions of higher education in South Africa.

It opened its doors in 1904 in Bloemfontein as the Grey University

College, with six students in the Humanities. Since then, the institution has grown to more than 40 000 students, spread over three campuses and across seven faculties (Economic and Management Sciences, Education, Health Sciences, the Humanities, Law, Natural and Agricultural Sciences, Theology and Religion).

Most of the students are located on the Bloemfontein Campus, with the Qwaqwa Campus situated in the picturesque Eastern Free State, serving a rapidly-growing number of rural students from the immediate area and surrounding provinces. The South Campus – also situated in Bloemfontein – serves as the centre for distance-learning programmes offered by the UFS, as well as alternative access to higher education for promising students who have not obtained the required marks in their final school examinations.

Over the years, the university has grown into an education hub which has positioned itself on the global stage, promoting research excellence, with exceptionally talented scholars and students who are recognised the world over, as well as alumni who have grown into influential leaders in society.

DEVELOPMENT OF THE UFS CREST OVER MORE THAN A CENTURY

1904

Up to 1935, the same coat of arms was used as the Grey College School.

1935

By 1935, with the name change to University College of the Orange Free State, the coat of arms fell into disuse, especially among students.

1947

In 1947, an agreement between management and students led to the new motto Per Fidem ad Sapientiam (Through faith to wisdom).

1950

In 1952, it was changed to In Deo Sapientiae Lux (In God is the light of wisdom).

The traditional orange, white and blue, linking the UFS to the South African national colours, changed in the late 1990s.

The orange was replaced by cherry red.

UNIVERSITY OF THE FREE STATE
UNIVERSITEIT VAN DIE VRYSTAAT
YUNIVESITHI YA FREISTATA

2011

The academic brand - the historic University of the Free State crest that has been the symbol of the university since 1952, has evolved to embrace the aesthetic expectations of the stakeholders. The shape of the traditional academic shield has been simplified and contemporised. Much of the symbolism of the crest remains intact, acknowledging the location of the UFS brand as one of the country's premier institutions of higher education, with a proud history of academic excellence and an ever evolving, vibrant culture.

MESSAGE FROM THE RECTOR AND VICE-CHANCELLOR

Dear Student

Congratulations to our newest alumni, the Class of 2019! Today is a memorable day and a culmination of the time you spent here at the University of the Free State (UFS).

You are not only becoming an alumnus of this great 115-year-old institution, but you are now also part of a fraternity of exceptional individuals who have walked across the stage before you.

Our alumni include educators, health professionals, scientists, entrepreneurs, agriculturists, artists, humanitarians, legal professionals, clergy, sportsmen and women, etc., who contribute to the welfare and growth of so many people in our beautiful country and beyond.

Graduation is a time to recognise the completion of a study programme and to celebrate a beginning, the commencing of a new chapter in your life. It is a time to embrace new opportunities.

You have accomplished much, and you have even greater potential than when you started your studies at Kovsies. Your newly acquired education will serve you well throughout your life, and the friendships and memories you have made here are something I hope you will return to often.

This is a significant day for all of us who have been involved in the lives of our graduates. For us at Kovsies – and for your fellow students, friends, and loved ones, this is a time to celebrate and acknowledge your accomplishments, and to bless you with our confidence and hope as you embark on the next stage of your journey.

May you look back with a sense of pride, knowing that you possess the required knowledge and skills to build and succeed in your chosen career.

The UFS is, after all, a place that inspires excellence and transforms lives.

Best wishes

PROF FW PETERSEN
RECTOR AND VICE-CHANCELLOR | UNIVERSITY OF THE FREE STATE

Beste Student

Baie geluk aan ons nuutste alumni, die Klas van 2019! Vandag is 'n onvergeetlike dag en die hoogtepunt van die tyd wat jy hier aan die Universiteit van die Vrystaat (UV) deurgebring het.

Jy word nie net 'n alumnus van hierdie wonderlike 115-jaar-oue instelling nie, maar jy is nou ook deel van 'n gemeenskap van uitsonderlike individue wat voor jou oor die verhoog gestap het.

Onder ons alumni is daar opvoeders, gesondheidswerkers, wetenskaplikes, entrepreneurs, landboukundiges, kunstenaars, filantropie, regslui, geestelikes, sportmanne en -vroue, ens., wat tot die welsyn en groei van so baie mense in ons pragtige land en verder bygedra het.

Gradeplegtigheid is 'n tyd om erkenning te gee aan die voltooiing van 'n studieprogram en om 'n nuwe begin te vier – die aanvang van 'n nuwe hoofstuk in jou lewe. Dit is 'n tyd om nuwe geleenthede aan te gryp.

Jy het baie bereik en jy het selfs groter potensiaal as toe jy met jou studies by Kovsies begin het. Jou nuut verworwe opvoeding sal jou goed te staan kom deur jou hele lewe, en die vriendskappe en herinneringe wat jy hier gemaak het, is iets waarna ek hoop jy gereeld sal terugkeer.

Dit is 'n belangrike dag vir ons almal wat in ons graduandi se lewens betrokke was. Vir ons by Kovsies – en vir jou medestudente, vriende en geliefdes, is dit 'n tyd om jou prestaties te erken en te vier en om jou te seën met ons hoop en vertroue terwyl jy die volgende stadium van jou reis begin.

Mag jy terugkyk met 'n gevoel van trots en met die wete dat jy oor die nodige kennis en vaardighede beskik om jou gekose loopbaan te bou en 'n sukses daarvan te maak.

Die UV is immers 'n plek wat uitnemendheid inspireer en lewens verander.

Beste wense

VOW OF THE GRADUANDS:SCHOOL OF NURSING

PROMISE TO REMAIN TRUE TO THE VOCATION - BELOFTE TOT ROEPINGSGETROU - KE TSHEPISA HORE KE TLA DULA KE TSHEPAHALA MOSEBETSING WA KA

I solemnly pledge before God and all who are gathered here // that I am convinced that the honourable profession which I am about to enter // is a great privilege // and lays a humbling responsibility in my hands.//

Ek sal myself van alles wat skadelik en verkeerd is onthou, // en sal nooit enige nadelige en bedwelmende middel neem, // of dit doelbewus aan andere toedien nie. //

Ke tla etsa sohle se matleng a ka // ho boloka le ho phahamisa maemo a mosebetsi wa ka, // mme ke tla boloka ka hohle-hohle e le lekunutu // ditaba tsohle tsa botho // le tsa lelapa tseo nka tshohang ke di hlokomela // nakong ya ho phetha mosebetsi wa ka.

(I shall do everything within my ability to maintain and elevate the standard of my profession and shall keep strictly confidential all personal and family matters that I may become aware of in the execution of my vocation.)

I see myself as the sounding-board for my patients in pain, // dismay and fear, // and therefore each of them is an individual to me // with an own personality and needs. // Each is an embodiment of the wonder of life, // whom I want to acknowledge // and protect in all modesty. //

In the final instance // I see my work as an expression of love, // a love that includes all my fellow-humans - // regardless of their race // or religion // or status. // Thus I want to see my vocation as part of a divine truth: // And now abide faith, // hope, // love, // these three; // but the greatest of these is love.

The Main Procession graduation gowns – embroidered with rich diversity

South Africa, and the Free State in particular, has a long-standing friendship with our neighbouring country, Lesotho.

Through a shared history, we have become co-creators of our futures. For this reason, the UFS decided to incorporate our tradition with that of the Basotho in the design of our Main Procession graduation gowns.

The gowns are inspired by the Seanamarena – the traditional Basotho blanket. The different patterns on the Seanamarena indicate the status one holds in the Basotho nation or reflect the occasion being celebrated. Keeping the Seanamarena pattern in mind, we combined our traditional academic designs with that of the Basotho nation.

YOKE PATTERNS

Yoke pattern for the Chancellor and Vice-Chancellor

This Seanamarena pattern is an interpretation of a design – used exclusively for the king and chiefs – which means “to swear by the king”. This blanket has the highest status of all Basotho blankets.

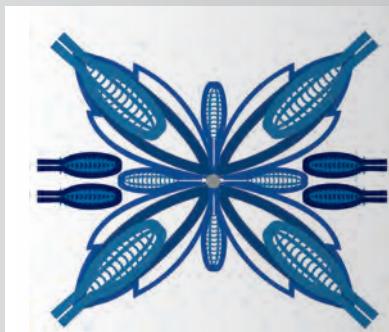

Yoke pattern for the Chairperson of the Council

This Seanamarena Victorian crest motif appeared after the visit of the Prince of Wales to Lesotho in 1925, which made a profound impression on the local people. Customers refer to this blanket as ‘lesiba’ – meaning feathers – when buying it.

Yoke pattern for the Vice-Rector

This Seanamarena Poone design symbolises good crops, wealth, and fertility. The Poone is given as a present to honour an important visitor.

Yoke pattern for Registrar

The same Seanamarena Poone design used for the Vice-Rector applies to the Registrar, with some slight design and colour alterations.

The Deans wear gowns made in the colours of the faculties or others which indicate the office they hold.
