ABOUT THE UFS

BLOEMFONTEIN, QWAQWA, AND SOUTH CAMPUSES

The University of the Free State (UFS) has a proud history as one of the oldest institutions of higher education in South Africa. It opened its doors in Bloemfontein in 1904 as the Grey University College, with six students in The Humanities. Today it is a multi-campus institution, with two diverse campuses in Bloemfontein and one in Qwaqwa in the scenic Eastern Free State, accommodating more than 39 000 students in its seven faculties (Economic and Management Sciences, Education, Health Sciences, The Humanities, Law, Natural and Agricultural Sciences, Theology and Religion), with a significant number of international students and associates, and an ever-widening scope of active involvement in and contribution to its surrounding communities.

For the past 121 years, the UFS has been delivering quality graduates who have made their mark in various sectors. What sets the institution apart is its holistic student support initiatives, enabling it to achieve some of the highest success rates in the country. Delivering students who are in high demand in the global job market remains a top priority. An established network of industry partners and close collaboration with the public and private sectors, as well as a continuous process of transformation and curriculum renewal, dovetail to produce highly employable graduates.

The UFS' research efforts are driven by dedicated scholars, some of whom are international leaders in their fields, with industry and social impact and real-world application.

Through the principle of engaged scholarship, the university responds to societal needs by using its scholarly and professional expertise with an intentional public purpose and benefit.

The UFS is an institution that goes all out to provide its students and staff with an outstanding university experience. Everything the institution does is rooted in its values of excellence, innovation and impact, accountability, care, social justice, and sustainability.

The university aspires to be a research-led, student-centred, and regionally engaged university that contributes to development and social justice through the production of globally competitive graduates and knowledge. Our *Vision 130* is an elaboration of our strategic intent to reposition the university for 2034, when we will commemorate our 130th anniversary.

Inspiring excellence, transforming lives through quality, impact, and care.

VICE-CHANCELLOR AND PRINCIPAL
UNIVERSITY OF THE FREE STATE

Welkom by die gradeplegtigheid van die Universiteit van die Vrystaat (UV).

Vandag is voorwaar 'n spesiale dag. Min geleentheid hou soveel betekenis in as 'n mens se gradeplegtigheid, sowel vir julle as vir diegene wat julle langs die pad ondersteun het. Baie van julle moes talle uitdagings te bowe kom tydens julle reis om te kom waar julle vandag is. Baie van julle is die eerste in julle gesinne om hierdie belangrike mylpaal te bereik. Julle het hierdie oomblik verdien en julle kan baie trots wees op julle prestasies.

Graduandi, julle het die eer gehad om aan 'n 121-jaar-oue instelling te studeer. Erken en herken altyd die betekenis van julle prestasies waar julle nou beweeg van studente van die Universiteit van die Vrystaat (UV) na UV-gegradueerdes. Ek nooi julle uit om as trotse alumni by julle alma mater betrokke te bly.

Alhoewel die missie van ons universiteit nog altyd was om julle toe te rus met die kennis en vaardighede wat nodig is om 'n verskil in julle studievelde te maak, is ons ook bedag daarop dat waardes net so belangrik is vir julle om 'n verskil in julle gemeenskappe te maak. Die Universiteit van die Vrystaat lê groot klem daarop om te verseker dat studente 'n uitnemende universiteitservaring het. In ons strewe na uitnemendheid is ons trots daarop dat ons omgewing bevorderlik is vir intellektuele en persoonlike groei. As sodanig is ons waardes van uitnemendheid, innovasie en impak, aanspreeklikheid, omgee, sosiale geregtigheid en volhoubaarheid ingebed in alle aktiwiteite oor die instelling heen.

Waar julle die wêreld buite die Universiteit van die Vrystaat betree, onthou dat opvoeding 'n kragtige hulpmiddel is. Ek moedig julle aan om dit te gebruik om positiewe verandering teweeg te bring, om die status quo te bevraagteken en om julle passies met vasberadenheid na te streef. Die toekoms lyk dalk onseker, maar dit is gevul met moontlikhede wat wag vir julle unieke talente en bydraes. Waar julle nou die volgende avontuur aanpak, neem die lesse saam wat julle geleer het, asook die moed om julle eie weg te baan.

Vier julle sukses, koester die herinneringe en omhels die geleenthede wat voorlê. Die wêreld is oop vir julle om te verken, en ons kan nie wag om al die wonderlike dinge te sien wat julle sal doen en bereik nie.

Baie geluk aan al ons Kowsie-graduandi. Mag julle volgehoue sukses in al julle ondernemings hê!

Beste wense

PROF TOYIN FALOLA

HONORARY DOCTORATE GUEST SPEAKER

Prof Toyin Falola, a distinguished historian and academic leader, has made an indelible impact on African scholarship. As the Jacob and Frances Sanger Mossiker Chair in the Humanities, Professor of History, and University Distinguished Teaching Professor at the University of Texas at Austin, his contributions extend across academia, literature and cultural preservation.

Prof Falola has served in esteemed positions, including the Kluge Chair of the Countries and Cultures of the South at the Library of Congress in Washington, D.C. Renowned for his prolific output, he has authored and edited more than 150 books, making significant contributions to African history, politics, and epistemology. His influence extends beyond academia, as he is widely regarded as Africa's preeminent historian and one of the continent's most decorated scholars.

His achievements have been recognised globally, earning him over 20 honorary doctorates, most recently from the University of Calgary. He is a

Fellow of both the Nigerian Academy of Letters and the Historical Society of Nigeria. Among his many accolades, he has received The Distinguished Africanist Award from the African Studies Association (USA) and the Lifetime Career Award from the Canadian African Studies Association. Additionally, he holds several traditional Yoruba chieftaincy titles, including the Bobapitan of Ibadanland and the Bobapitan of Ondo Kingdom, in recognition of his contributions to African heritage.

Prof Falola's scholarship has inspired numerous academic studies. His students and colleagues have honoured his work through five Festschriften, and several books have been written on his contributions. Among these are *Toyin Falola and African Epistemologies and Falolaism: The Epistemologies and Methodologies of Africana Knowledge* by Abdul Bangura. His intellectual influence is further examined in *The Complex Interplay between Power, Politics, and African Agency: The Philosophy of Toyin Falola* by Serges Kamga. A forthcoming book, *An Ethos of Transdisciplinarity: Conversations with Toyin Falola* by Prof Sanya Osha from the University of Cape Town, will further explore his impact on global scholarship.

His contributions continue to shape African and global academia, fostering new generations of scholars and thinkers.
