

**STUDENT REPRESENTATIVE COUNCIL MEETING
3 MAY 2017
DECISIONS REGISTER**

CHAIRPERSON

MR LUWACA

SECRETARIAT

MS HLOPHE

University Assembly

- The venue is too small
- Resolution: negotiate a bigger venue

Re-registration

- The meeting was postponed.
- Mr Rasephei met with Mr Nthakheni and Mr Leidenberg
- The meeting is moved to the week of 8th May 2017.
- Submission: An immediate explanation must be requested to explain the process of re-registration and the challenges faced by the students in trying to re-register, the SMS and calls confusion.
- A statement addressing this must also be released on social media platform and blackboard.

Open Day

Spirit cup will be completed on open day; an hour has been allocated to this activity.

All SRC members are expected to participate in the judging of the singing/war cry.

Off-campus residence league

- HRA suggested that students who stay in communes must form teams and then buy a name under which they will take part in sporting activities.

- Submission: the proposal is rejected; the initiative takes away the mandate of the day residences.
- **Resolution: Students must be informed that they can still take part in sports under a residence name without being part of that residence.**
- There teams that made it to the semi-finals and finals will be performing in the first and second week of May therefore guardians must support their residences.

Student Parliament

Vice President needs assistance with venue set-up and ushering and thus requests help from EC's. The sitting floor plan is arranged to ensure order, only 15 members of the public will be allowed into the venue. SRC members with sub-councils must ask their members to make nominations for the speaker and deputy speaker of parliament.

Study Marathon

Thuso desk will create a study marathon at FGG and LCT from Monday 08 May, providing coffee for participants overnight while they study.

The marketing for this will be carried out by 4 portfolios.

Again the office of 1st generation students has a project that will take place on 18th August (Please ask for the document from Mohau, it was too detailed to be written down)

Service Delivery

Institutional service delivery (study guides, computer labs, library, etc.) is poor and students are complaining. Mr Litsoane must follow it up

RAG SRC Stance

Submissions must be sent to Mr van der Walt before Thursday 4th May, for those who can avail themselves, a meeting will be held on Friday 9am for discussion on the report

Kovises Biggest Braai

In the process of checking its feasibility.

The stakeholder portfolios will be Rag, On-campus residence, Media, Transformation and secretary EC members.

These offices will be involved in the planning of the project.

Submission: The project is still awaiting approval once feasibility study is complete, but the planning can start.
