

## Naspers Bursary Application Details 2022-2023

Naspers is inviting students to apply for bursary funding, for the **2022 academic year**. The Naspers Bursary Programme aims to provide funding to young black Africans, who are academically deserving, but lack the financial means to pursue their studies. Funding is available from 1st year, through to Honours level studies.

### **Fields of study:**

Bursaries will be awarded to current and prospective students, for studies within the following fields:

- Business Sciences
- Commerce
- Engineering
- Mathematics
- Science
- Technology

### **Requiements**

Applicants must satisfy the following minimum entry criteria before applying:

- You must be a South African citizen
- You must be a Black African – Female or Male
- You must be currently in Matric OR you must have completed Matric
- You must be studying OR intend on studying towards a qualification in STEM, Commerce or Business Sciences field
- You must be studying OR intend on studying at a recognised university in South Africa
- You must have a total household income of less than R650 000 per annum

### **Matric students applying for 1st year:**

- you must have achieved a minimum result of 60% for Mathematics (NOT Mathematical Literacy) in Grade 11 final results

- you must have achieved a minimum overall average of 65% in Grade 11 final results
- you must have achieved a minimum overall average of 65% in Matric June exams

**1st-year students applying for 2nd year:**

- you must be studying full-time
- you must have achieved a minimum overall average of 65% in June exams
- you must have achieved a minimum overall average of 65% in final results

**3rd-year students applying for Honours degrees:**

- you must have achieved a minimum overall average of 68% in June/ mid-year results
- you must have achieved a minimum overall average of 68% in final results
- you must be on track for acceptance

The bursary will provide full funding, for the entire duration of the degree studies.

**The following expenses will be covered:**

- Tuition fees
- Prescribed textbooks
- Accommodation
- Meals
- Living allowance
- 1st-year students will also receive a laptop computer

Students will also have unlimited access to academic and psycho-social support, including a mentorship programme, career guidance, and work readiness training, monthly workshops, and monthly counseling sessions.

Naspers bursary recipients will be expected to actively support local community or charity organizations and give back where possible – all to create a better future for themselves and their communities.
