

NB:

1. Please take note that this permission template is only for NSFAS students who directly made the 2024 registration fee payment, and it is neither the parent/guardian nor a business.
2. In a case where the student is not the payer, the payer must give consent in a form of an affidavit stating that the student may receive the money. If the payer was a business the consent must be on the business entity's letterhead where applicable signed by an authorized person.
