3. Rules Regarding Fees

3.1 Errors and omissions

Although the information contained in the Yearbook has been compiled as carefully as possible, the Council and Senate accept no responsibility for any errors or omissions.

***What does this mean?** There may be mistakes in this document – although we hope not! If there are, the official UFS amounts and/or info apply.*

3.2 Amendments

All university fees are determined by the Council, which may amend them at any time. The amended amount will be payable on request.

***What does this mean?** If the council make changes to any fees, you must pay the changed amount, and not the initial amount published in this document.*

3.3 Fees payable

Fees are payable in full, irrespective of whether any services rendered by the university are disrupted by circumstances beyond the university's control, such as strikes, student boycotts, public unrest or any other disruption on campus.

3.4 Payment dates

Tuition and residence fees are calculated per semester. All fees must be paid as follows, regardless of whether an account was received or not. Account statements are emailed to students to their UFS4LIFE email addresses. You have to forward the account to the person(s) responsible for paying the account. It is your responsibility to make enquiries if you did not receive an account.

Payment dates for South African students:

First semester: all fees for the first semester are payable on/before **31 March**.

Second semester: all fees for the second semester are payable on/before **31 August**.

Payment dates for international students:

First semester: all fees for the first semester are payable on/before **31 March**.

Second semester: all fees for the second semester are payable on/before **30 June**, regardless of any other date which may appear on account statements.

All other fees are payable not later than the end of the month, following the month in which the transaction took place, as indicated on the account statement, unless specifically stipulated otherwise in the regulations.

If payments are not made by the due dates:

- interest at the prime bank rate as charged by ABSA BANK + 2% will be levied on all accounts in arrears;
- all academic records will be withheld; and
- International students with outstanding fees on 1 July will not be allowed to continue with their second-semester studies.

***What does this mean?** You must stick to payment deadlines, and make sure that you receive an account. Even if you don't receive an account, you are still responsible for payment – claiming that you never received an account, is not an excuse.*

3.5 Interest charged on overdue accounts

Failure to pay on the set dates shall entitle the university, irrespective of the exercising of any other rights, to charge interest on the outstanding fees at an interest rate equal to the prime bank rate levied by ABSA Bank + 2%, calculated from the date on which each amount is payable up to the date of payment.

3.6 Official registration

The registration of a student becomes official once the required fees have been paid and an official proof of registration has been issued to the student.

3.7 Fees in arrears

If a student is in arrears with the payments on any of his/her accounts at the university, the university has the right, notwithstanding any arrangements the student may have made for an extension of time or otherwise, to refuse to mark any examination papers and/or to withhold statements of results, study records, certified examination timetables and examination results, until the amounts in arrears have been paid to the university.

Conduct certificates, certified declarations, and certificates for degrees/diplomas will only be issued once all outstanding fees owing to the university, irrespective of the nature or origin thereof, have been paid to the university.

***What does this mean?** If your account is not paid up to date, you are not entitled to any UFS services and/or documentation. If you made payment arrangements to settle the debt, services and/or documentation will be supplied to you only after the full outstanding payment was made.*

3.8 Prescribed debt: fees for the academic year are payable in advance

A student previously registered as a student of the UFS, but who failed to pay outstanding fees, will not be allowed to register unless fees for the year are paid in advance. This includes students whose debt has prescribed. Should a student be of the opinion that sufficient reason exists for the granting of exemption from this requirement, such a student must appeal in writing to the Senior Director of Finance, University of the Free State, PO Box 339, Bloemfontein 9300.

3.9 Re-registration

If a student has not settled his/her previous year's account(s) in full, the university may, irrespective of whether or not the student has arranged for extension of time or otherwise, refuse his/her re-registration until the said amount(s) is/are settled in full.

3.10 Default of payment

Should a student fail to settle his/her account(s) with the university, the university shall be entitled, notwithstanding any other rights, to hand over the account(s) to an attorney for collection.

3.11 Disciplinary measures

A student remains financially liable, even if prevented from continuing his/her studies by any university regulation or rule.

***What does this mean?** If you are not allowed to complete your studies, you are still responsible to pay all outstanding fees.*

3.12 Bursaries and Loans

The attention of bursary holders is drawn to the fact that it is their responsibility to ensure that bursary donors make payments timeously and in accordance with university regulations. Bursars have to provide their sponsors with details of their accounts.

If a sponsor does not pay a student's account in time, interest will be charged and debited to the account, and the student or his/her parents or guardian will be responsible for the payment of such interest.

***What does this mean?** You must make sure that your bursary donor/s pays your account. If they don't, you will be responsible for payment.*

3.13 Access to personal tuition fees account

UFS Self-help service

You can gain access to your personal tuition fees account via the UFS Self-help Service. Please visit www.ufs.ac.za, and follow the links: Students – Tuition Fees – My Account. The terms and conditions for refunds and payments remain the same.

- The official refund request form and the necessary documentation, as prescribed by the Finance Department of the University of the Free State, must be properly completed and submitted to the Student Finance Division.
- Credit balances will not be paid out to students without the written permission of the person or party who initially made the payment.
- If students are studying with a bursary or loan, credit balances on the accounts will only be paid out to them with the written permission of the entity that granted the bursary or loan.

The process:

- * This is a once-off requirement to link the magnetic stripe on your card to your personal details.
- * Contact the Student Finance Division (tel. 051 4013003/2806) if you are not on campus and unable to activate your card.

* **Step 2: Check your cell phone number on PeopleSoft**

It is very important that your cell phone number on UFS systems is correct, as Fundi uses that number to communicate with you by means of SMS messages.

* **Step 3: Complete and submit refund request**

Complete the refund request form. The form is available on the UFS website, at the link:

<https://www.ufs.ac.za/docs/librariesprovider31/tuition-fees-documents/2014-refund-request-506-eng.pdf?sfvrsn=0>

The UFS will process these refunds.

* **Step 4: UFS transfers refund amount to Fundi**

Upon receipt of the refund request and permission for payout, the UFS will transfer the refund amount to the cash pocket on the student card.

* **Step 5: Fundi notification**

Fundi will send an SMS message to notify you of the cash/accommodation amount that was uploaded on the student card. **NB: Please make sure that your cell phone number on the UFS PeopleSoft system is correct.**

* **Step 6: Upload your banking details**

As soon as you receive the SMS message as explained in the previous step, you have to log onto <https://mycard.fundi.co.za/> to upload YOUR banking details. (If the payment must be made to any other person such as a friend, relative or landlord, please refer to step 3 for third-party payments).

R75

Student diaries are optional. The cost of the diary will be debited to your tuition fees account and is payable within 30 days.

10.7 Student Card

Your student card is your key to all kinds of services and events at the UFS. It is your official university identification and, as a student or employee, you are required to carry it with you whenever you are on campus. An electronic student card is for the student's personal use only and must not be used by other persons. Your personal details are associated with your card and are unique to your card.

Prevention Tips

- Never tell anyone your pin code.
- Use a unique pin code. This must not be consecutive numbers such as 12345 or related to your student number, ID number or passport number, as these are printed on the student card.
- Keep an eye on your student card every time you use it, and make sure you get it back as quickly as possible. Whenever possible, try not to let your card out of your sight.
- Be very careful to whom you give your card when doing a transaction.
- Do not write your pin code on your student card or store it anywhere near your card (in the event of your wallet being stolen).
- Never leave your cards or receipts lying around.
- Check your bill promptly and make sure there are no unusual charges. Treat your student card bill like your bank account – reconcile it monthly. Save your receipts so that you can compare them with your student account.
- If you find any charges that you do not recognise, report such charges promptly (and in writing) to the Card Division.
- Never lend a student card to anyone else.
- If you believe you have been a victim of card fraud, contact the Card Division immediately.

Access Control

The Electronic Access Control System has been implemented by the university to protect the university community, property, and assets. Your cooperation in adhering to these conditions will ensure that security and safety on campus are maintained.

The university reserves the right to examine all electronic information on its systems and to monitor usage in order to ensure compliance with these conditions and to ensure that the facilities and systems function in a secure, efficient, and effective manner.

- Keep your own student card with you at all times.
- Do not allow any person to access any door or gate with your student card or by sneaking in/out behind you.
- Never put any device in front of a door or keep it open.

Example with regard to the anti-pass-back system:

You arrive at your residence gate and swipe your card through the card device to enter the building. Now, you must wait five minutes before trying to get access at any other access control point in the building. You may exit again, but will only be allowed to swipe in again after a waiting period of ten minutes. You MUST also swipe out to get access to other buildings. If you do not swipe out, the system will regard you as still being in your residence.

The anti-passback system has been activated due to misuse at media labs and the library where students were handing their cards to other students without cards, to enable access. There is a fine for misuse of student cards in this regard.
