

2027 BURSARY APPLICATIONS

WBHO will be conducting bursary interviews at University of the Free State during August 2026. All Civil Engineering students interested in applying can download the application form from: www.wbho.co.za (select: Careers and Students)

Incomplete applications will not be considered.
Application closing date: 31 July 2026

WBHO Construction (Pty) Ltd, formed in 1970, is a multi-disciplined construction company, focusing primarily in building construction, civil engineering and roads and earthworks. Based in Sandton, South Africa, WBHO operates throughout Africa as well as having a national footprint in the UK.

The company derives its strength from the wealth of experience contained within its management team where ninety senior directors and managers have an average service of over 19 years. This continuity of management results in a pro-active approach which mitigates most risks before they occur. Sustainable client relationships are achieved through the consistent delivery of a quality product. Reliability is at the core of our brand identity and forms an integral part of our day to day activities.
