

FIRST PAYMENTS SNAPSHOT REGISTRATION 2022

Important information

- 1 **2021 Account balances must be zero.**
- 2 First payments are due **five (5) working days prior to registration**. Students will not be able to register until these amounts reflect as CREDITS on their tuition fees accounts.
- 3 The full amount is payable when the total fees are less than the first payment required.
- 4 **Students studying with financial aid (bursary/loan) (SA students only):**
 - Students with confirmed NSFAS funding are exempted from paying the first payment provided that their 2021 account balances are zero.
 - First time entering students who applied for NSFAS funding but have not received funding confirmation, have to pay the first payment. Payments will be refunded when NSFAS is confirmed.
 - Students with financial aid (bursary/loan) which does not cover all the fees for the year, have to pay the first payment five (5) working days prior to registration. Failure to do so, will delay registration.
 - If the financial aid covers all the expenses for the full academic year, then the first payment will be reduced by the amount of the financial aid.
