The BIG GIVE (R10 collection)

The big give "red box R10 collection" was an event in which each residence was given red box to fill with R10 notes. The proceeds were meant to go towards funding the food and clothing bank on campus but later the money raised by each resident went towards each residence's stootgeld

Tekkíe Tax stickers

This is an annual fundraising campaign for children, animals,

community, education and people with disabilities welfare organizations. There were 5 different stickers to choose from namely, I love children, I love disability, I love Education, I love animals and I love basic community. The stickers were worn on the 29th May which was National Tekkíe Tax day.

A total of 83 stickers were sold, these were largely purchased by the sub-com members and a few by members of the house.

A total of 23 casual day stickers were sold

Buddy project

Buddy project is an initiative by the Rag

Ubuntu project

For this project, the residences in a college had to collect donation of clothes, nonperishable food and 10 loaves of bread per res. These items were given to the underprivileged Dinaweng community on 22 August 2015.

ENTERTAINMENT

Stagedoor

The KG ladies were paired with Kestelle and 15 ladies were paired with the Kestelle ladies. Unfortunately "Kagistelle" didn't place and no rankings were given. The girls all had an amazing time as their performance was an entertaining one!

The KG gents were paired with Emily. There were 30 participants all together.

Unfortunately they also didn't place, although they had a fantastic performance that is unforgettable.

Rc Female culture also ensured hosting internal teekans every Wednesday at 4pm before house meetings.

VALENTINE'S DAY INFORMAL

We hosted our first informal which was the valentine's day informal that was held at our residence on the 13th of February. It was a huge success as we managed to make all our money back with a bit of interest on top of it. Other residencies were invited to the event as well to build relationships and bonds with other students from the University.

During Rag the annual 1st year athletics meeting was held at Pellispark, Bloemfontein on the 20th of January 2016, where we witnessed the class of 2016 engaging with the masses on a competitive level and ended up attaining victory for themselves and the house.
