

# ATTENTION ALL FINAL YEAR AND POSTGRADUATE STUDENTS!!!

Would you like to register for a FREE 8-credit module that will help you prepare for the world of work???

**EDED3712/3722** is positioned as a capstone for graduates, and aligns with career development and employability initiatives at the UFS. **The aim of this module is to enhance our students' employability** by teaching students to take stock of the skills and attributes they have acquired during their studies, and articulate that in an ePortfolio that would help them market their skills, network, and apply for work.

## What will you get?

- How to take stock of the skills you acquired in your studies and market that to employers, investors, peers.
- Create your own website showcasing evidence of your skills.
- Create a stellar professional LinkedIn Profile.
- Receive regular feedback on these tasks and assistance on your future work plan.

## You qualify to register for this if:

- You are in your final year of study and will graduate at the end of 2023
- You are a registered postgraduate student

This module will be offered in a summer school (EDED3712) and repeated in a winter school (EDED3722) of 2.5 days of classes, so it will not interfere with your timetable during the semester. You can register for this module during registration.

**More information will follow after you have registered. If you have queries, you can contact us at**
