

# INVITATION

You are hereby cordially invited to a public lecture presented by the Department Afrikaans and Dutch, German and French (UFS).

Second lecture of 2024: The statistician who metamorphosed into a translator of poetry, Robert Schall, discusses his recently published translation of Goethe's *Faust*. The title of his talk is: "Is Afrikaans werklik so rymarm (soos Daniel Hugo sê)? Die leksikale diversiteit van ryme in Goethe se *Faust*: Duits versus Afrikaans. (Are rhymes in Afrikaans really as scarce as Daniel Hugo says? The lexical diversity of rhymes in Goethe's *Faust*: German and Afrikaans.)"

The lecture will be presented in Afrikaans. Please indicate before 4 March if interpreting services are required ([meiringi@ufs.ac.za](mailto:meiringi@ufs.ac.za))
