Met high heels en lipstick is 'n nuutgeskrewe kabaret uit die pen van Isabel Mostert met konseptualisering deur Michelle Hetzel. Dit vertel, bevraagteken en kritiseer die probleme wat (meestal) vroue deesdae in die gesig staar en hoe hulle dit hanteer. Probleme soos geweld in die huis, gewigsprobleme, drankmisbruik en vele ander word op 'n skerp humoristiese, dog simpatieke manier aangespreek, met 'n bemoediging vir vroue: Met lipstick en high heels word elke dag 'n lekkerte!

A brand new cabaret written by Isabel Mostert and conceptualised by Michelle Hetzel. It narrates, questions and criticises the problems (most) women face nowadays and how they handle it. Problems like domestic abuse, weight issues, alcohol abuse and many others are touched on in a humoristic, yet sympathetic way, with some encouragement for women: With lipstick and high heels every day becomes a joyous occasion!
