

# INVITATION

You are herewith cordially invited to a public lecture presented by the Department of Afrikaans and Dutch, German and French at the University of the Free State.

**FIFTH lecture in 2024:** Why it is important to capture family and regional stories

**Speaker: Elize Rowan**, SoulCollage ® facilitator and Jungian dream analyst

## ABSTRACT

Everybody's stories are important and contribute to our understanding of the world. It is said that a human being is only actually dead when nobody remembers you or can identify you on a photo. In order to make sense of who you are and how you can meet your future successfully, you have to know where you come from.

Elize Rowan will address these issues with reference to her book *'n Goue lint. Die memoires van Elize Rowan* (2024).

The lecture will be presented in Afrikaans. Please let Ida Meiring ([meiringi@ufs.ac.za](mailto:meiringi@ufs.ac.za)) know by the 18th of October if interpreter services will be needed.

**Date: Friday, 25 October 2024**

**Time: 11:00 - 12:00**

**Venue: FGG201, University of the Free State**

**RSVP: Friday, 18 October 2024, at [meiringi@ufs.ac.za](mailto:meiringi@ufs.ac.za)**
