

INVITATION

Bloemfontein Campus: Student Residence Building Names Review Project

Institutional Dialogue

Using the University of the Free State's (UFS) value frameworks of 'Care and Ethical Conduct', how do we address and balance the 'Origins Histories (1904 and 1994)' of the UFS through the names of five of its student residence buildings, being Abraham Fischer, President Steyn, Reitz, Kestell and Emily Hobhouse.

Can a new heritage interpretation be created for the UFS, which allows the University to convey itself as a public institution of higher education in South Africa which respects, fosters and promotes the Constitutional values of Dignity, Equality and Freedom?

The dialogue is convened and moderated by Vusumzi Gqalane - ISRC: Additional Member & SRC: Policy and Transformation: Student Affairs

Date: 16 August 2021
