Call for Applications: Article Refinement Programme 2026

The Centre for Graduate Support invites postgraduate students to register for the Article Refinement Programme. The programme is an individually paced writing capacity development opportunity to refine manuscripts and substantially increase the publishability of the manuscripts. Only applicants with draft manuscripts will be selected to participate in the programme.

Individual contact sessions will guide the participants towards the completion and submission of their manuscripts.

Eligibility:

- Must be a UFS-registered master's or doctoral student.
- Must have a draft manuscript. The manuscript must not form part of current master's dissertation or doctoral thesis.

To register, complete the application form and submit [here](#).

Enquiries: Contact Dr Pamela Makati at MakatiP@ufs.ac.za or call 051 401 3174.

Closing date: **To be confirmed**
