The British Academy invites proposals seeking to deliver one or more writing workshops to encourage and support **early career researchers** in Brazil, Egypt, Indonesia, Jordan, Kenya, Malaysia, Philippines, **South Africa**, Turkey, Thailand, Vietnam, and/or least developed countries to publish in high-impact journals **in the fields of the humanities and social sciences**. These awards aim to stimulate professional networks, develop research partnerships, encourage skills development, provide advice on career development, and promote the uptake of research emanating from developing countries.

- **The lead applicant must be based at a UK university or eligible research institute.**
- **Each application must have at least one co-applicant based in Brazil, Egypt, Indonesia, Jordan, Kenya, Malaysia, Philippines, South Africa, etc.**
- **The award must be held at a UK-based institution recognised by the academy.**

Value and duration of awards:

- The value of the award is set at a maximum of £30 000.
- Funding must be used in the direct delivery of the workshops, and can cover travel and related expenses, subsistence costs, clerical assistance and consumables, childcare support (including for participants), and networking, meeting, and/or conference costs.
- It will be considered an eligible cost to support the contribution of non-UK based co-applicants who are directly involved in helping to organise the workshop(s) in the country.
- Awards will be paid in full on acceptance of the award from March 2025 – payment will be made to the UK institution where the PI is based.
- Projects must be 24 months in duration. This is to enable and acknowledge the significant follow-on and follow-up activities that a successful writing workshop award will need to undertake.

Application

Applicants must register on the British Academy's online Flexi-Grant Grant Management System to enable the processing and assessment of their application.
