

NRF-rating workshop: 2 October 2024

You are invited to attend an NRF-rating workshop where best practices will be shared and guidance will be provided on all aspects related to the rating process (e.g. attaining or improving a rating, narratives, best outputs, H-indices, etc.). The aim of the workshop is to provide information and insight to the UFS research community.

Details of the workshop:

Presenter: Prof Thaddeus Metz (University of Pretoria, A-rated researcher)

Facilitator: Prof Vasu Reddy (Deputy Vice-Chancellor: Research and Internationalisation)

Date: 2 October 2024

Time: 14:00-16:00

Venue: Online (Microsoft Teams) – **Link to be shared upon RSVP**

Please RSVP no later than 27 September 2024 to Thabi Mosoetsa (Mosoetsat@ufs.ac.za) and cc Nthabiseng Mosehla (MosehlaP@ufs.ac.za).

Although not compulsory, participation is **STRONGLY** recommended, especially for people who are considering applying for a rating for the first time this upcoming cycle, or those who want to improve their current rating.

Please find more information [here](#).
