Dear Prof V Reddy,

Ref: 9.1 University of the Free State Use of Animals (Including non-human primates) in Research and Teaching Procedure

As regulatory document owner, you are hereby informed that the above-mentioned document has been approved by the Executive Committee of the Senate and that the following dates have been determined:

Date Approved: 15 April 2024

Effective Date: 15 April 2024

Review Date: 15 April 2027

In accordance with the Policy Development and Review Framework, the regulatory document owner remains responsible for the implementation, monitoring and review of all regulatory documents. Kindly note that although the document indicated that the approval authority is the Senate Research Ethics Committee, it was approved by the Executive Committee of the Senate. We would advise in this instance that it be amended and submitted to the Executive Committee of Senate for approval as a minor amendment.

The document will be published in due course on the University intranet.

Regards
